At 80° F - 15 min

At 65° F - 60 min

Use sealer when applying to driveways and pool decks

Safety Precautions

Keep out of the reach of Children. Avoid inhalation of dust. Wash hands thoroughly after handling. Do not eat, drink, or smoke while working with cement. In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical attention if irritation persists.

Wear gloves impervious to water to prevent skin contact. Wear safety glasses or goggles when handling concrete to prevent contact with eyes. Wearing contact lenses, when using concrete, is not recommended. Wear gloves impervious to water and protective clothing to prevent skin contact. Wear respiratory protection when mixing or spraying Like Nu.

First-aid Measures After Inhalation

When symptoms occur: go into open air and ventilate suspected area. Obtain medical attention if breathing difficulty persists. Inhalation of gross amounts of modified cement requires immediate medical attention.

First-aid Measures After Skin Contact

Remove contaminated clothing. Brush off, then immediately flush skin with plenty of water for at least 60 minutes. Wash contaminated clothing before reuse. Get immediate medical advice/attention.

First-aid Measures After Eye Contact

Rinse cautiously with water for at least 60 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get immediate medical advice/attention.

First-aid Measures After Ingestion

Rinse mouth. Do not induce vomiting. Immediately call a poison center or doctor/physician.
