EASY 1-2-3 PLANTING INSTRUCTIONS 1-2-3 INSTRUCCIONES QUE PLANTAN FÁCILES

- Plant perennials after the last frost date in your area. Plant at depth and spacing as noted on the front of the package.**
Plante las perennes después de la última escarcha en su área. Plántelas a la profundidad y espaciado notados en la parte delantera del envase.
- Dig hole to a depth to accommodate roots while leaving the shoot portion above the ground. Cover roots with soil and then water to settle soil around the roots. Cover with mulch in extreme climates.**
Cave un hoyo de profundidad suficiente para acomodar las raíces sin tapar el brote. Entierre las raíces y riegue para depositar la tierra alrededor de ellas. En los climas extremos hay que usar pajote.
- Hardy perennials may be left in the ground to grow the next season.**
Las plantas perennes resistentes se pueden dejar en tierra para crecer al año siguiente.
