Professional Cleaner Range

This product is made of stainless steel, which can resist corrosion & rust and withstand the toughest abuse. Designed to clean large surfaces of 18", it is efficient.

Rotating & Spray Nozzles

Three rotary rods with three 1.75 orifice nozzles with a 25° spray angle offer a broad cleaning surface. Sturdy bristled brushes give efficient cleaning and control over-spray.

Trigger Gun & Handle

The handle is angle adjustable to suit different needs. The joints are smooth. Trigger gun has a 3/8-inch quick connect female inlet plug to connect the pressure washer hose.

Quiet & Universal Wheels

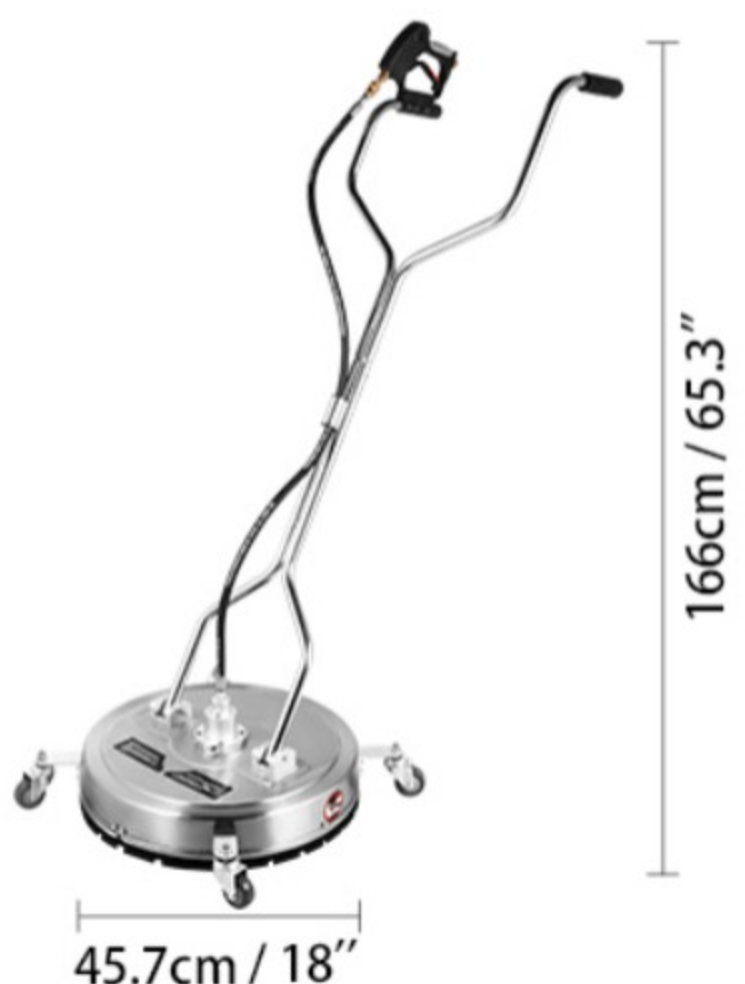

This surface cleaner is with four scratch-resistant 360-degree swivel casters that are screwed to the bottom. Movement is smooth. The operation is convenient.

Easy & Quick Install

It comes with all necessary accessories for easy assembly in just a few minutes. It is suitable for cold and hot water applications. Max Temp: 212 °F.

Various Application Places

This surface cleaner is suitable for cleaning horizontal surfaces, used on the road, driveways, decks, patios, sidewalks, driveways, pool decks, parking lots, etc.
