**E - 2 X ELBOW**

**G - 6 X 36" PIPE**

**H - 4 X 8" PIPE**

**I - 2 X TEE**

## CLEAN AND SEAL THE PIPE BEFORE USE

This kit is made of industrial grade authentic pipe. This oil could rub off on your clothes. It is coated in oil post production to prevent rust. The kit should be cleaned and sealed to prevent rusting. See Clean and Seal sheet for more information. Use a cleaning wipe on the pipe, wait until dry and then spray with any semi-gloss polyurethane spray.

1. Connect into an L shape.
2. Connect the other side.
3. Hand tighten G into I as hard as you can. Then unscrew G into the opposite I. It will be loose, but the connection is good.
4. Assemble and connect the feet.
