

Amamoi Replacement Canopy Cover - Use and Care Manual

Thank you for choosing the Amamoi Replacement Canopy Cover. This manual provides guidance on proper use, maintenance, and care to ensure long-lasting performance.

Proper Use:

- Use the canopy cover only on compatible 10x20 ft garage or carport frames (frame not included).
- Install on a stable and level frame structure to ensure maximum safety and stability.
- Use for vehicle protection, outdoor storage, or temporary event sheltering.
- Avoid using the canopy on arch-shaped frames, as it is designed for flat-roof carport styles.

Care Instructions:

- Clean the canopy fabric with mild soap and water. Do not use harsh chemicals or abrasives.
- Ensure the cover is dry before storage to prevent mold or mildew growth.
- Remove accumulated snow or standing water promptly to avoid fabric stress or damage.
- Inspect ball bungees and grommets regularly and replace worn parts as needed.

Storage Guidelines:

- Disassemble the canopy cover during severe weather, hurricanes, or heavy snow conditions.
- Fold the cover neatly and store it in a cool, dry place away from direct sunlight.
- Avoid placing heavy objects on top of the stored canopy fabric to prevent creasing or tearing.

Safety Notes:

- Do not attempt installation or removal during strong winds or storms.
- Always wear protective gloves when handling the canopy to prevent injury from sharp edges or grommets.
- Use caution when working on a ladder to install or adjust the canopy cover.

Following these use and care guidelines will help extend the life of your Amamoi Canopy Cover and ensure continued reliable performance.
