

Con-Tact[®] Creative Covering[™] BRAND

INSTRUCTIONS FOR USE				
1) Prepare Surface				
• Apply only to clean, smooth surface. To clean, use soap & water. Rinse & dry thoroughly.				
• Products may not adhere to fabric, rough, or pebbly surfaces or surfaces under 55°F (13°C).				
• Porous surfaces should be sealed completely with enamel, shellac, urethane or similar product.				
2) Measure & Cut				
• Allow at least 3/8" (1 cm) overlap on all edges for possible shrinkage.				
3) Peel off backing				
• Peel off backing evenly.				
• When covering large areas, peel small sections at a time to make it easier.				
4) Apply				
• Beginning at the center, press out towards edge using squeegee, straight edge tool, or cloth.				
• Covering may be lifted and repositioned during application to eliminate bubbles or wrinkles.				
• Avoid pulling or stretching.
