

LAYING OUT YOUR NEW RUG

DEPENDING ON THE MATERIAL OF THE
RUG AND SEVERITY OF THE FOLD, IT COULD TAKE
DAYS OR WEEKS FOR THE RUG TO COMPLETELY
SETTLE. TO HELP IT ALONG, YOU CAN:

Remove it from its
packing and unfold/unroll
it as soon as possible.

Place heavy furniture on
top of the rug and walk
across it as normal.

Thoroughly vacuum the rug
once it is unfolded.

Roll the rug in the opposite
direction of its current folds.
