Simplay3 Rocking Bridge™

2 - 6 years

The Rocking Bridge is just that — rock away on one side like a teeter totter or flip it over for stair climbing fun! With room for up to four rocking riders and two seat levels to accommodate different size children, molded in grips allow kids to hold on providing stability and comfort on even the rockiest rides. The molded-in, textured staircase on the opposing side provides grip while helping kids develop coordination and balance.

- Two-sided play opportunities indoors or out
- Rocker side accommodates up to 4 riders, has two seat levels and molded-in grips
- Bridge side has molded-in, textured stairs
- Durable, double-wall construction is weather resistant
- No assembly required
