

ENERGY PLUS WALL HEATER

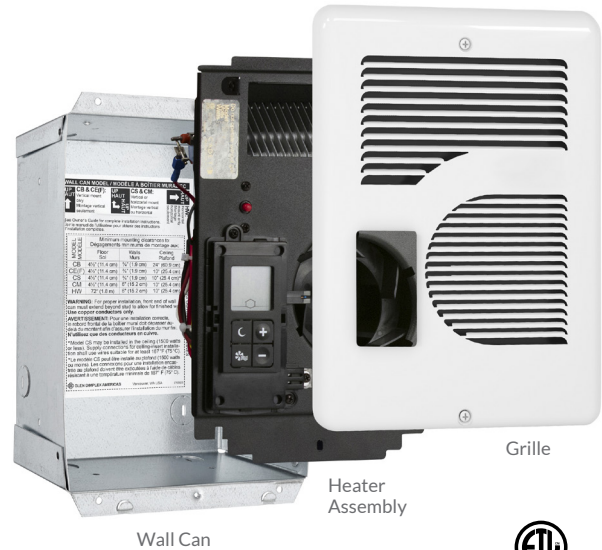

The smart choice for your comfort and your wallet, the Energy Plus uses up to 30% less energy than regular wall heaters. Say goodbye to temperature swings—intelligent controls and auto adjusting fan speed maintain room temperature within one degree. And control your comfort with a simple, built-in, backlit digital thermostat.

BENEFITS

- Built-in digital thermostat and large backlit display
- Control your comfort with simple buttons and Night/Away settings
- Enjoy ultra-quiet operation of the variable speed fan
- Keep the air circulating year-round with the fan-only mode
- Install easily without damaging the heater—smart sensor auto adjusts the heater voltage to match your power supply
- Tamperproof settings let you lock in minimum and maximum temperature points
- Easily replace Com-Pak series heaters with the Energy Plus—it fits existing Com-Pak wall cans
