

Get Fresh Food for Every Meal

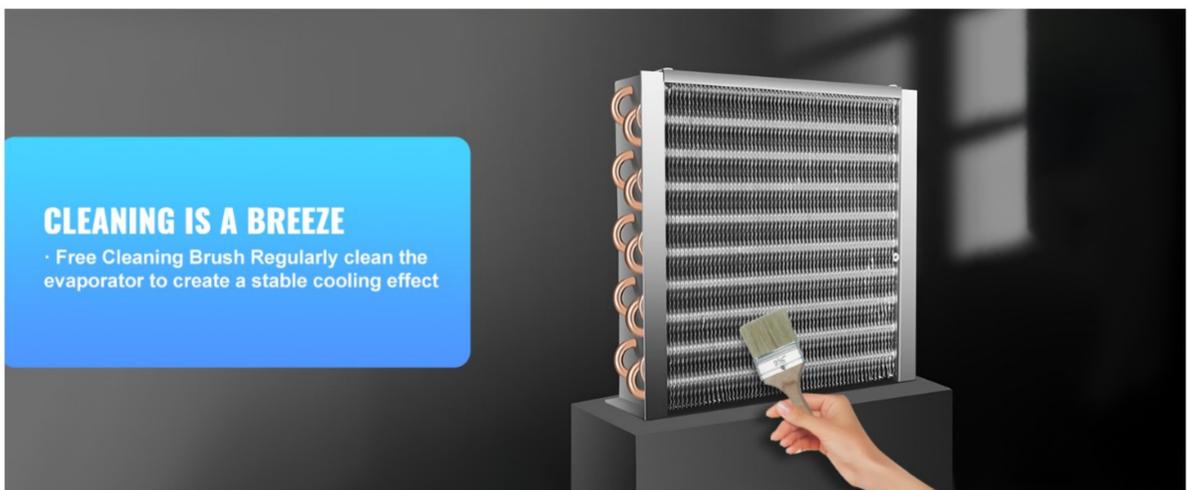

This double-door sandwich prep table is made of durable stainless steel, features eighteen pans and Cubigle compressor to keep your food organized and fresh. The detachable 47.2 x 15.5in chopping board and 12.85 cubic feet refrigeration cabinet lets you prepare food freely.

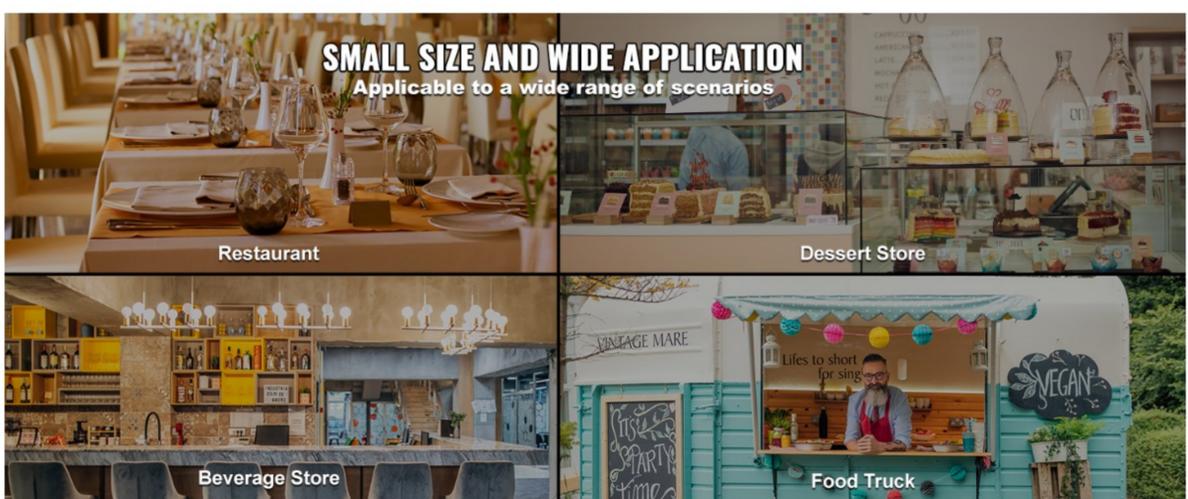

The 12.85 cu. ft. large-capacity freezer provides a stable space for keeping ingredients fresh by adjusting the height of the shelves to achieve double-layer zoning for storage.

The evaporator is covered with electrophoresis process and coated with anti-rust paint, which double-effectively protects the welding joints from corrosion and avoid refrigerant leakage.

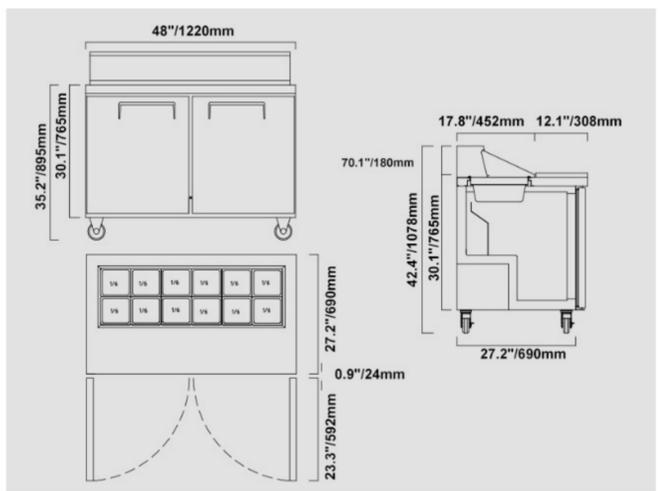

Equipped with a Cubigle compressor and finned copper tubes, this prep refrigerator table maintains a constant and uniform temperature inside through a wing-blade copper tube configuration. No more worrying about heat spots or uneven temperatures!

Whether it's for an indoor kitchen or an outdoor stalls, this sandwich/salad freezer prep station will make your job twice as easy.
