Each piece of the mosaic features a unique rock look with a honed finish perfect for shower floors. The natural color palette of the travertine stone allows it to be easily combined with other natural stone field tiles and mosaics. Recommended for kitchens, backsplashes, showers, accent walls, tub surrounds and vanities. Due to the natural properties of the stone, color appearance may change based on installation environment, especially in wet areas. For best installation results, use a white polymer-modified thinset.
