

Performance+ SETTING HIGHER STANDARDS FOR FIBERGLASS INSULATION

Performance+ is **Asthma & Allergy Friendly**® certified and Verified Healthier Air™. It is formaldehyde-free, has less dust and is easy to install. It also has some of the lowest VOCs in the category while providing exceptional thermal performance. Additionally its superior sound absorption makes a positive impact on Indoor Environmental Quality.

HIGH-PERFORMING FIBERGLASS

ECOBATT® INSULATION

Made with ECOSE® technology and certified for indoor air quality, this insulation offers simple installation.

ECOROLL® INSULATION

Thoughtfully designed to keep interior spaces comfortable and quiet, EcoRoll® is the perfect insulation for attics, ceilings, floors and more.

ECOFILL® BLOWING WOOL

This insulation stands up to the elements, consistently keeping outdoor temperatures at bay to maximize comfort at home.

KNAUF ACADEMY: ONLINE TRAINING CENTER

Boost your insulation knowledge with courses for residential and commercial applications.

SETTING A HIGHER STANDARD

THIRD-PARTY TESTED

Our products undergo strict testing to ensure they are free of harmful chemicals.

BIO-BASED & SUSTAINABLE

Made with our patented ECOSE® Technology, a bio-based binder that is formaldehyde-free.

FORMALDEHYDE-FREE

Uses no phenol formaldehyde-based resins to make sure our buildings are good for the environment.

CLASS A FIRE RATING

Flame spread index of 25 or less and a smoke developed index of 50 or less.*

INTERIOR COMFORT

Proven energy efficiency and sound absorption provide enhanced comfort and privacy in the home.

INSTALLER EASE

Low on dust and easy to handle for a seamless install.

Performance+ HOLDS ALL CERTIFICATIONS

Knauf is committed to putting our products to the test. The results are clear: our innovative products meet the highest possible standards for fiberglass insulation.

*This rating applies to unfaced batts, rolls and blowing wool.
