

Warranty

The supplier warrants to the original purchaser that it will be free from any defect in materials and/or workmanship for 1 year from date of purchase. This limited warranty is extended only to the original purchaser, and only covers products purchased as new. If during this 1 year period, the original purchaser experiences a defect which is covered by this limited warranty, it will be repaired or replaced (at supplier's sole option) at no cost to you. Defective parts will be repaired or replaced with new or factory rebuilt parts at the supplier's sole option. This limited warranty is in lieu of any other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, or otherwise, and of any other obligations or liability on seller's part. This limited warranty does not cover non-defect damage, damage caused by improper installation, or care (including but not limited to abuse, misuse, failure to provide reasonable and necessary maintenance, or dismantling or for reinstalling a repaired or replaced product or component). Under no circumstances shall the supplier be liable for consequential, incidental, or special damages arising in connection with the use of, or inability to use this product. In no event shall supplier's liability for breach of warranty, breach of contract, negligence or strict liability exceed the cost of the product covered hereby. No person is authorized to assume for us any liability in connection with the sale of this product. Some states do not allow limitations on implied warranties and the exclusion or limitation of consequential, incidental, or special damages, so the above limitation or exclusion may not apply to you. This limited warranty gives you specific legal rights and you may also have other rights which vary from state to state.
