

WARRANTY

RBS Holdings, LLC. DBA Best Barns warrants the following:

1. Every product is warranted from defects in workmanship and manufacturing for one year.
2. All hardware and metal components are warranted for two years.
3. SmartSide™ siding is warranted for 50 years by the manufacturer Louisiana Pacific.
4. Roof sheathing and loft sheathing is warranted for two years.
5. Windows are warranted for one year.

RBS Holdings, LLC. will repair, replace or pay for the affected part. In no event shall RBS Holdings, LLC. pay the cost of labor or installation or any other costs related thereto. All warranties are from date of purchase. If a cash refund is paid on an affected part, it will be prorated from date of purchase.

CONDITIONS

The warranty is effective only when:

1. The storage or garage kit has been erected in accordance with the assembly instructions.
2. The storage or garage kit has been properly shingled or covered with metal roofing and painted or stained and reasonably and regularly maintained thereafter.
3. Debris and vegetation are kept away from exterior of storage or garage kit.
4. The failure occurs when the storage or garage kit is owned by the original owner. Warranty is non-transferrable.
5. RBS Holdings, LLC. has received the warranty registration card within thirty (30) days of purchase and notification of failure in writing within the warranty period specified above.
6. RBS Holdings, LLC. has had reasonable opportunity during the sixty (60) days following receipt of notification to inspect and verify the failure prior to commencement of any repair work. Pictures may be requested to verify failure.

REQUIREMENTS

Shed, Barn or Garage Kits

To validate your warranty, it is necessary to properly maintain your RBS Holdings, LLC. storage or garage kit: shingle the roof or cover with metal roofing; paint or solid-colored stain on the siding using 100% acrylic latex exterior product with a minimum of two (2) coats within thirty (30) days of assembly; caulk above all doors and all horizontal and vertical trim boards; caulk windows along sides and top of flange; paint and seal all exposed edges, sides and faces of SmartSide™ to include all exterior walls and all sides and all edges of doors.

Keep vegetation away from storage or garage kit and be sure bottom wall plates, siding panels and trim do not come in contact with masonry or cement. The minimum ground clearance for siding must be one half inch (1/2") from concrete slab or two and one half inch (2-1/2") from the ground when shed kit is erected or constructed on a treated floor kit. Water from sprinklers must be kept off storage or garage kit. In no event will RBS Holdings, LLC. be responsible for any indirect, incidental, consequential or special damages nor for failure(s) that are caused by events, acts or omissions beyond our control including, but not limited to, misuse or improper assembly, improper maintenance (which eventually leads to rot or decay) and acts of God. RBS Holdings, LLC. will not be held responsible for any labor incurred to construct your storage or garage kit.

This warranty gives you certain specific rights that vary from state to state.
