### LOG SPLITTER LIMITED WARRANTY

Always specify model number when contacting the factory.

We reserve the right to amend these specifications at any time without notice. The only applicable warranty is our standard written warranty. We make no other warranty, expressed or implied.

MAT Engine Technologies, LLC warrants this Log Splitter for 3 years from the date of purchase and will replace or repair defects in material and workmanship for the original purchaser of the log splitter. For 2 years from the date of purchase, the engine is covered per the engine manufacturer warranty. For 1 year from date of purchase, MAT Engine Technologies, LLC will repair or replace hydraulic system components.

For commercial or reconditioned log splitters, a 90 day warranty is in effect from the first date of purchase from an authorized dealer, provided that the product has been properly maintained and operated in accordance with all applicable instructions. This warranty is extended only to the original retail purchaser. The bill of sales or proof of purchase must be presented at the time a claim is made under this warranty. This warranty does not cover rental usage, nor does it apply to parts that are not in original condition due to normal wear and tear, or parts that fail or become damaged as a result of misuse, accident, lack of proper maintenance, tampering, or alteration.

Exceptions to the standard warranty period would be normal wear items such as cutting wedge, pneumatic tires and tubes, air filters, and spark plugs which are only covered for 60 days against defects in material or workmanship. Travel, handling, transportation, and incidental costs associated with warranty repairs are not reimbursable under this warranty and are the responsibility of the owner.

To the full extent allowed by the law of the jurisdiction that governs the sale of the product, this express warranty excludes any and all other expressed warranties and limits the duration of any and all implied warranties, including warranties of merchantability and fitness for a particular purpose to two years from the date of first purchase.

MAT Engine Technologies, LLC's liability is hereby limited to the purchase price of the product and MAT Engine Technologies, LLC shall not be liable for any other damages whatsoever including indirect, incidental, or consequential damages. Some states do not allow limitation of how long an implied warranty lasts or an exclusion or limitation of incidental or consequential damages, so the above limitation of damages may not apply to you. This warranty provides the original purchaser with specific rights.

*For information regarding those rights, please consult the applicable state laws.*
