

Instruction & Assembly Guide – Soft Close Round Toilet Seat

Thank you for purchasing this Soft■Close Round Toilet Seat. Follow the steps below for an easy installation.

1. Contents

- Toilet seat with soft■close hinges
- Two mounting bolts
- Two nuts (top■fix or bottom■fix depending on model)
- Two washers

2. Tools Needed

- Phillips screwdriver
- Adjustable wrench (optional)

3. Removal of Old Seat

1. Lift the hinge covers on the old seat.
2. Unscrew the bolts using a screwdriver; hold the nuts under the bowl.
3. Remove the old seat and clean the bowl surface.

4. Installing the New Seat

1. Align the new seat hinges with the mounting holes on the toilet bowl.
2. Insert the bolts through the hinges and into the bowl holes.
3. Place washers and nuts underneath (or tighten from above if top■fix).
4. Lightly tighten the bolts to hold the seat in place.
5. Center the seat so it sits evenly on the bowl.
6. Fully tighten the bolts – do not over■tighten.

5. Checking Soft■Close Mechanism

- Slowly push the lid and seat down to ensure smooth soft■closing.
- If alignment shifts, slightly loosen the bolts, adjust, and retighten.

6. Care & Maintenance

- Clean with mild soap and water.
- Avoid harsh chemicals or abrasive sponges.
- Check hinge tightness every few months.

Your installation is complete! Enjoy your new soft■close toilet seat.
