

Installation steps:

1. Buckle the activity buckle into the hanging rings and tighten it
2. Fasten the hanging board to the junction box with screws
3. Connect the main line and ground cable of the lamp body to the cable reserved on the ceiling
- 4-5. Cover the junction box with a canopy and tighten the decorative nuts
6. Install light bulbs (Bulb not included)

Notice:

1. Before installation, please check whether the parts are complete and whether the lamps are in good condition.
2. Cut off the power supply before installation, and then perform wiring.
3. Install the lamp body first, and then install the power supply.
4. Installation and maintenance must be carried out by professional and technical personnel.
