Please prefer email contact. Due to busy lines,
there may be a wait for calls to be answered.

Please have the following information ready when you make your call:

- The model number of the product is printed on the package box
 - Description of the part from the parts list
-
- Read entire assembly manual, paying special attention to the important tips and safety information .
 - Ensure there are no missing pieces by first separating and identifying all parts.
 - Make sure to check packing material for small parts that may have fallen out during shipment.
 - Structures are not intended for public use. The Company does not warranty any of its residential structures subjected to commercial use such as: Daycare, Preschool, Nursery School, Recreational Park, or any similar Commercial Application.
 - This manual contains helpful information concerning assembly preparation, installation procedure and required maintenance.
 - Always keep safety in mind as your structure is being built.
 - Keep these instructions for future reference.

ENJOY YOUR PRODUCT!

CARE AND CLEANING

1. For best results, clean the kennels with a damp cloth and dry thoroughly. This will help prevent mildew by removing dirt particles that may accumulate.
2. Do not clean with abrasive materials, bleach, or solvents.
3. Store the kennels in a dry, sheltered place when not in use.
4. Keep the kennels away from fire, extreme heat, freezing conditions, and inclement weather such as rain, hail, sleet, snow, or wind.
