

## Assembly Instructions

# Double Rail Heavy Duty Clothing Rack RACK-K41

### Parts List:

1. Frame uprights with feet (x2)
2. Support bar (x1)
3. V bar (x2)
4. Extension Pipes (x4)
5. Hang Bar (x2)

The screws for this rack are attached to the rack to prevent them from falling out during transit. You should receive a 6mm hex allen wrench with the package to use during assembly.

Unattach all screws from Support bar, V-bars and Hang bars

Attach the support bars to the bottom holes of the frame uprights

Attach the V- bars to the upper holes of frame uprights
