49 in - 72 in	3-4 Panels
73 in - 96 in	4-5 Panels
97 in - 120 in	5-6 Panels
121 in -144 in	6-7 Panels

## GUIDE TO CURTAIN FULLNESS

- Transform the look of your room with window curtains.
- To determine the general fullness of your curtains, multiply the width of your window x 1.5 times.
- For a more generous look, multiply your window x 2 times, using more curtain panels.
