Water Treatment Solutions for Your Entire Home

The home improvement you can enjoy every day!

The water in your home touches nearly everything. The benefits of high-quality water can be enjoyed in every area of your home, every day.

■ Drinking Water

Remove contaminants, including lifetime PFOAs, from your water while reducing the need for bottled water.

■ Kitchen

Prolong the life of water-using appliances while reducing spots on your dishes.

■ Appliances

Improves water heater efficiency and reduce scale build-up in pipes.

DID YOU KNOW?

EcoWater's patented algorithm

learn's your home's water usage to save money on salt and water usage

Center of Water Treatment Innovation

Not all water treatment manufacturers and installers are the same. EcoWater products are 3rd-party certified resulting in money and water savings.

Wi-Fi enabled technology

alerts you about continuous and excessive water use, system error, and low salt.

Alkaline water

delivered right to your tap!

■ Bath & Shower

Treated water makes your skin feel softer and hair more manageable. Reduce scale build-up on fixtures and shower doors.

■ Laundry

Softened water can make clothes feel softer and last longer – with whiter whites and brighter brights – while using less detergent.
