9" INFLATABLE BEACH WHEELS

9" Inflatable Beach Wheels

The two 9-inch beach wheels feature a 2-3 PSI low-pressure design, which helps them not sink or plow into sand or other challenging terrains. Unlike other ordinary wheels, the sand will not easily infiltrate ours.

WIDE COMPATIBILITY

Fit for axle with 0.9 inches diameter

Wide Compatibility

Our beach tires' strong hub can fit an axle with a 0.9-inch diameter, so please measure your cart's axle in advance to make sure the hub suits the axle.

PVC BEACH TIRES

PVC Beach Tires

Heavy-duty balloon wheels are constructed of PVC material and built to last, supporting gear up to 77lbs. You can freely load plenty of equipment when gardening, traveling, camping, and fishing. Take your cart anywhere with our wheels.

SUITABLE FOR DIFFERENT TERRAINS

Suitable for Different Terrains

Our balloon tires are ideal for transporting loads over rough and uneven ground such as sand, grass lawn, and gravel. Its smooth and light tread pattern makes it more resistant to punctures, designed specifically to roll easily over sand with minimal effort.

HAND AIR PUMP

Hand Air Pump

We provide a hand air pump for your convenient use. 2PCS x 9" beach wheels are easy to inflate with included air pump and allow for streamlined movement over a variety of terrains. After inflation, the diameter is 9-inch, and the thick tread is 4.7-inch.

VARIOUS APPLICATION

Various Application

These sand wheels can get through the sandy beach and transport a heavy load across any sandy or uneven terrains. It is versatile, making it a perfect companion for beach trips, camping, fishing, and gardening.
