

LAWN & GARDEN
**POLY
GOR4PS**

Lawn & Garden Collection

QUICK-RELEASE DUMPING

The GOR4PS Garden Poly Cart saves time on projects and is easier to haul and unload than traditional wheelbarrow options. The structural steel frame, 4-wheeled stability and 10" pneumatic tires make the GOR4PS able to make backyard gardening a breeze

NO-LIFT HAULING

Easy grip handle minimizes hand discomfort while the pivot steering technology allows for easy pulling and project completion

PIVOT STEERING

The tight-turning steering is made possible by Gorilla Carts® quick-turn technology, pivoting on a center axis. The pass through design of the front and rear axles allow for maximum ground clearance and easy hauling

SPECIFICATIONS

*Load Capacity: 600 lbs / 4 cu ft
Bed Size: 36"L x 20"W x 8"H
Wheel Diameter: 10"*
