STAINLESS STEEL POST

Stainless Steel Post

The crowd control stanchions are made of 201 stainless steel and zinc alloy, which is waterproof and rustproof, not afraid of high temperature. This durable material ensures the stanchion has a long-life service.

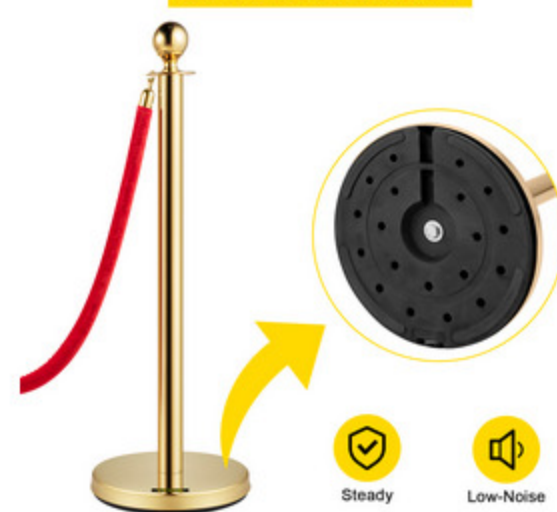

5 FT/1.5 M VELVET ROPE

5 Ft/1.5 m Velvet Rope

The red velvet rope has a beautiful and elegant appearance with delicate hooks and durable springs. This 5 ft/1.5 m flannel rope is not easy to wear and deform but solid and eye-catching.

SOLID FOUNDATION

Solid Foundation

Rubber floor-protectors can prevent the floor from scratching and increase the friction between the pole and floor, making the stanchion post more stable. So the metal chassis base is heavy and hard to fall down.

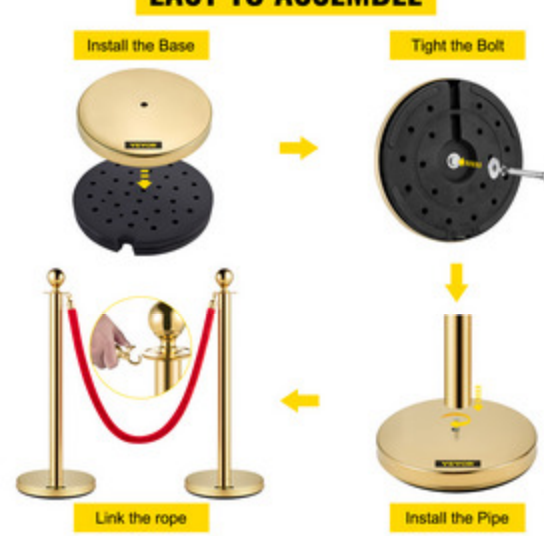

FOUR-WAY CONNECTION

Four-Way Connection

Four adapters at the top of each stanchion post allow the snap rope hooks can be firmly locked in place from four directions. You can connect four ropes at the same time to provide more security space.

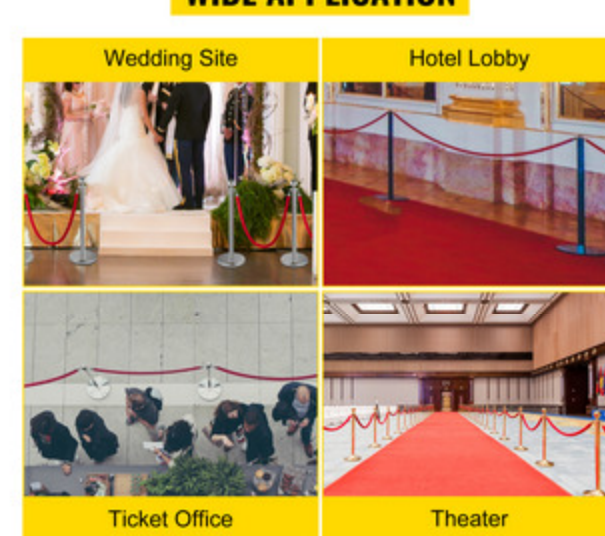

EASY TO ASSEMBLE

Easy to Assemble

Each stanchion post has four holes on the top, while each rope has buckles on each end so that you can make the quick connection in the right direction. Easy assembly, no special tools are needed.

WIDE APPLICATION

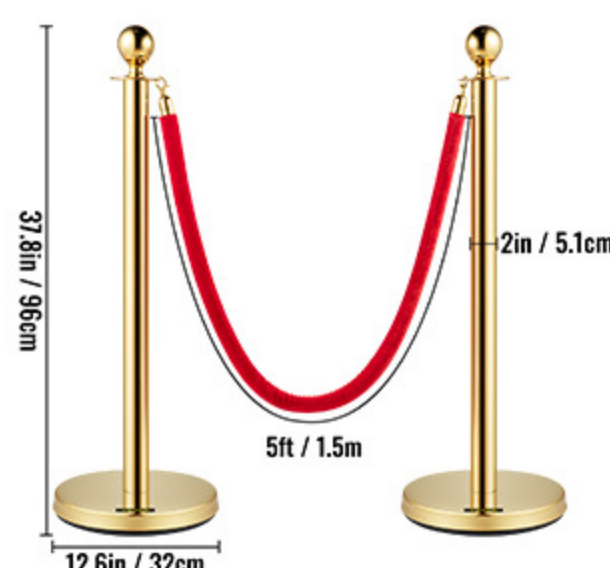

Wide Application

Our crowd control stanchion is suitable for all types of red carpet events where human traffic is very crowded such as weddings, hotels, exhibitions, etc. It also allows people to line up in order and reduce the occurrence of stampede accidents.
