

## Model #DV-1K0137

Overall Dimension: 24.02" L x 19.69" W x 16.93" H

## Features:

- The laundry sink is made of premium ceramic material, its thick construction has a low water absorption rate, and its outstanding durability ensures that the product maintains its superior performance over time and is not prone to fading or yellowing.
- The wall-mounted laundry sink saves floor space below for storage, ideal for tight laundry areas. Included mounting brackets allow adjustable hanging height to prevent back pain from strained cleaning positions. Standard 3.5" drain hole provides quick installation.
- This indoors and outdoors utility sink's deep 8.86" bowl and large capacity effortlessly handle tough tasks. Perfect for washing oversized items and soaking large laundry loads, it's versatile and durable.
- The utility sink boasts an extra high backsplash and deep basin to prevent splashing, keeping the surrounding area dry. The backsplash includes a convenient two-hole faucet drilling on 8" centers for easy installation.
- Our wall-mounted laundry tub features a smooth, non-porous ceramic surface that is not prone to dirt, stains, and scratches. With a one-piece molded design, cleaning is effortless.
