

FULL SUN

# Stonecrop

Sedum

LIVE-GROWING

why  
buy?

Drought Tolerant

Deer Resistant

## CARE & MAINTENANCE

**BLOOMS:** Midsummer to fall**HEIGHT:** 4-12"**SPACE:** 24"**HARDINESS:** -40°F**WATER:** Weekly; more often until roots established

## PLANTING STEPS

- Dig hole twice as wide and as deep as the pot.
- Mix one part soil amendment into native soil of your garden.
- Loosen plant's root base and place into the ground. Cover loosely.
- For best results, use all-purpose balanced plant food.
