

Heartdeco DIY Bamboo 5-Tier Shoe Rack

Parts:

Assembly Steps:

1. There are two pre-drilled holes on top of the side boards, please make sure these holes on both side boards are facing the same direction when assembling.
2. Assemble the 4 dividers
3. Assemble the top board; kindly note the notch side on the top board should be the same direction with the holes on the side board.

4. Assemble the back rail to the top of the back board; insert the back board to the notch of the divider.
5. Secure the back board with screws.
6. Complete.
