12V Cyclone Auto Vac by Wagan Tech®

Thank you for purchasing the 12V Cyclone Auto Vac by Wagan Tech®. With normal care and proper treatment, it will provide years of reliable service. Please read all operating instructions carefully before use.

BEFORE USE

1. Familiarize yourself thoroughly with the operation of this product before using.
2. Ensure that the filters are properly installed and secured to the housing.
3. Ensure that the filters are clean before use.

FEATURES

- Powered by automobile 12V DC socket
- Removable and washable filters
- Includes brush and crevice attachments
- Extra-long 11-ft power cord

SPECIFICATIONS

Operation voltage	12V
Motor rating	120W
Recommended vehicle DC socket fuse	15A

CAUTION

- This is not a toy. Keep away from children.
- This vacuum cleaner operates from 12V sockets only.

OPERATION

1. Plug into a 12V power source, such an automobile cigarette lighter socket. Make sure your socket is rated at 15A or higher.
2. Turn ignition to the "accessory" position. If you plan on using the vacuum for more than 15 minutes, you may want to run your engine to avoid draining your battery (be sure you are parked in a well-ventilated area).
3. Turn off all other electrical equipment in the car.
4. Push the power switch to the ON position and begin vacuuming.

▲ Do not vacuum liquids or burning objects

▲ Do not cover either of the side air vents while using

CARE AND MAINTENANCE

1. To empty the vacuum, press the dust bin latch and separate dust bin from motor unit.
 2. Carefully remove the filter from dust bin and discard contents.
 3. To clean the filters, hand-wash with mild soap and water.
 4. The motor unit can be wiped with a damp sponge. Do not use detergents, cleaners, or solvents.
 5. Allow all parts to dry completely before reassembling the vacuum.
 6. For replacement filters, visit www.wagan.com
- ⚠ Do not submerge the motor unit**
 - ⚠ Do not use when the filter is wet**
 - ⚠ Do not run the vacuum without the filter in place**

WAGAN Corp. Limited Warranty

The WAGAN Corporation warranty is limited to products sold only in the United States.

Warranty Duration:

Product is warranted to the original purchaser for a period of one (1) year from the original purchase date, to be free of defects in material and workmanship. WAGAN Corporation disclaims any liability for consequential damages. In no event will WAGAN Corporation be responsible for any amount of damages beyond the amount paid for the product at retail.

Warranty Performance:

During the warranty period, a product with a defect will be replaced with a comparable model when the product is returned to WAGAN Corporation with an original store receipt. WAGAN Corporation will, at its discretion, replace or repair the defective part. The replacement product will be warranted for the balance of the original warranty period. This warranty does not extend to any units which have been used in violation of written instructions furnished.

Warranty Disclaimers:

This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume any other liability in connection with the sale of our products. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract or commercial law including, but not limited to negligence, gross negligence, strict liability, breach of warranty, and breach of contract.

Returns:

WAGAN Corporation is not responsible for any item(s) returned without an official Return Authorization number (RA#). Please contact our customer service team by phone or email to obtain an RA#. You can also visit our website and chat with our team during our normal business hours. For more details and instructions on how to process a warranty claim, please read the "Returns" section under the "Contact" page on our website. WAGAN Corporation is not responsible for any shipping charges incurred in returning the item(s) back to the company for repair or replacement.
