Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

Rapid Heating & Low Noise

The 12V 5KW diesel air heater achieves rapid heating even at -40°C, quickly eliminating the windows' frost off your car. Noise is also effectively reduced through blower speed control, silent fan, and oil pump.

Energy-Efficient Fuel Pump

Our diesel heater is extremely energy-saving with low fuel consumption of 0.1-0.24 (L/H). Besides, the fuel pump's injection frequency and intake air amount are accurately controlled by ECU to extend the service life.

Sturdy Aluminum Construction

The combustion chamber, base, and heat-dissipating scale are all sand-blasted aluminum parts. This diesel parking heater is integrally constructed, featuring uniform heat dissipation and high-temperature resistance.

LCD Monitor & Remote Control

With a digital LCD monitor, the parking heater provides manual/automatic mode to adjust the temperature. You can also preset the heating switch time through the timing function and preheat your car with remote control.

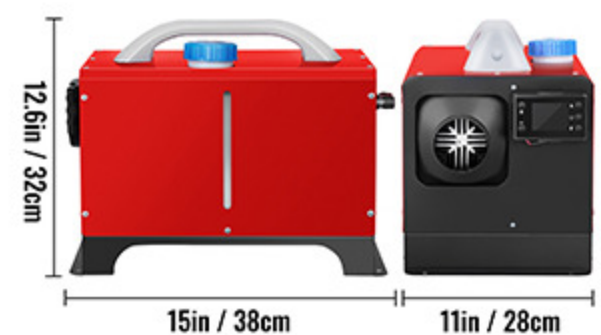

Easy & Flexible Installation

Our bunk heater comes with a complete mounting package, including all essential parts, pipes, and tools. It is easy to use and can be flexibly installed in multiple locations on your vehicle.

Diesel Vehicles & Indoor Use

This bus heater is commonly applied for cab heating of various diesel vehicles, such as cars, RVs, buses, vans, trucks, boats, etc. It is also suitable for home, warehouse, factory, office, and other indoor use.

Specifications

- Heater Power: 5KW
- Fuel Gasoline: Diesel
- Rated Voltage: 12V
- Car Air Conditioning Type: Heating
- Complete Combustion Rate: 100%
- Fuel Consumption(L/h): 0.1 - 0.24 L / 0.026 - 0.063 Gal
- Working Temperature: -40 °C - 50 °C / 40 - 122 °F

Package Content

- 1 x All-in-one Diesel Heater
- 1 x Remote Control
- 1 x Silencer
- 1 x Wiring Harness
- 1 x Air Filter
- 1 x Inlet Pipe
- 1 x Outlet Pipe
- 1 x Exhaust Pipe
- 1 x Installation Kit
