

New Bosch Dishwashers

The drying revolution is here. Step up to the ultimate dry.
We've mastered quiet, cleaning, and flexibility. Now plastics have met their match.

BOSCH
Invented for life

PureDry™

Bosch dishes don't just get dry, they're PureDry™

Dries dishes with no outside vents or fans. Each cycle ends with an extra hot wash that whisks moisture away from dishes. With no heating element, safely place plastics anywhere, even the bottom rack.

AutoAir™

A little fresh air, for a lot better dry.

Select the AutoAir™ option and the door will automatically open at the end of the cycle to let moisture escape and fresh air in for 40% drier dishes.¹

CrystalDry™

The ultimate clean. The ultimate dry, even on plastics.

Patented CrystalDry™ technology transforms moisture into heat to get dishes 60% drier², including plastics.

How does CrystalDry™ work?

Patented CrystalDry™ technology uses natural minerals to collect moisture and transform it into heat, up to 176°F. The hot air is circulated throughout the tub to dry dishes, and even plastics, for the ultimate dry.

The ultimate clean with
PrecisionWash™.

Advanced sensors scan the load to target every inch of the dishwasher for the ultimate clean, every time.

24/7 leak protection with
AquaStop®.

AquaStop® sensors automatically close the water inlet and activate the drain pump if a possible leak is detected—even if you're not home.

Quietest dishwasher brand in the U.S.³

Some of the 18 ways we approach noise reduction include: multiple insulation layers, grindless food filtration, and a sound absorbing base.

¹ Based on average drying performance of Bosch Dishwashers with AutoAir™ after seven hours as compared to Bosch Dishwashers with PureDry™. ² Based on aggregate average drying performance of Bosch Dishwashers with CrystalDry™ on combined household load including plastics, glass, steel, and porcelain as compared to Bosch Dishwashers with PureDry™. Drying performance may vary by dish type. ³ Based on an average of sound ratings of 24" Full Size Stainless Steel Tub dishwashers contained in major brands websites. Major brands defined as TraQline Top 5 Market Share December 2019. © 2020 BSH Home Appliances Corporation. 20-BOS-1449 7/20

Quality is in the details.

The Bosch difference.

BOSCH

Invented for life

300 Series

- + 44 dBA
- + Standard 3rd Rack
- + FlexSpace™ tines
- + 16 place settings
- + Water softener unit available

PureDry™

Each cycle ends with an extra hot wash that **whisks moisture away from dishes.**

500 Series
