

**TECHNICAL DATA****KRK-53****KRUD KUTTER
PET CARPET CLEANER
STAIN REMOVER & DEODORIZER****DESCRIPTION AND USES**

Krud Kutter® Pet Carpet Cleaner Stain Remover & Deodorizer contains special surfactants that releases pet stains for immediate cleaning. Beneficial microorganisms enhance long-lasting cleaning by penetrating deep into carpet and padding to degrade the residual soils and organics. It is certified safe for all carpet types including nylon and wool.

Krud Kutter Pet Carpet Cleaner Stain Remover & Deodorizer is effective on a variety of stains including tracked-in dirt & mud, grass stains, pet urine, pet feces, pet vomit and more.

PRODUCTS

SKU	Description
305474	22 oz. Trigger Sprayer

PRODUCT APPLICATION

Note: Do not mix with any other chemicals. For best results, treat stains immediately and do not over saturate carpet. Some stains will cause permanent discoloration even after cleaning.

PRODUCT APPLICATION**DIRECTIONS**

Always test on an inconspicuous area for colorfastness. Remove any excess solids or liquids. Turn nozzle to spray position. Spray 6-8" from the surface and allow to sit 5 minutes. Blot with a clean, absorbent and color-fast cloth and allow area to dry completely. For tough stains, scrub gently with a brush and repeat as necessary.

FIRST AID: In case of contact with eyes or skin, flush with water for at least 15 minutes and consult a physician. If on skin, wash off immediately with soap and plenty of water. If inhaled, move to fresh air. If swallowed, clean mouth with water and afterwards drink plenty of water. **Do not induce vomiting.** Get medical attention.

KEEP OUT OF REACH OF CHILDREN.

PHYSICAL PROPERTIES

Physical Properties	PET CARPET CLEANER STAIN REMOVER & DEODORIZER
Composition	Proprietary blend of Biodegradable Surfactants, Detergents, Emulsifiers, Citric Acid & Viable Bacteria Cultures
Color	Light Brown
pH	6.0-7.0
VOC % by Weight	0%
Practical Coverage	Varies depending on the carpet type
Shelf Life	NA
Flash Point	>200°F (93°C)
Caution!	In case of contact with eyes or skin, flush with water for at least 15 minutes and consult a physician. If on skin, wash off immediately with soap and plenty of water.
