

Instructions & Assembly Guide

Thank you for choosing this Adjustable Weed Puller Tool. This guide provides assembly, usage, and care instructions to ensure safe and effective operation.

Assembly Instructions:

- 1 Unpack all components and confirm the adjustable handle sections, weed puller head, and foot pedal are included.
- 2 Screw the handle sections together, selecting the desired height (36", 40", or 45").
- 3 Attach the handle securely to the weed puller head by twisting and locking into place.
- 4 Check that the foot pedal and quick-release ejector mechanism are functioning properly before first use.

Usage Instructions:

- 1 Position the 4-claw head directly over the center of the weed.
- 2 Step down on the foot pedal to drive the claws deep into the soil around the root.
- 3 Tilt the handle back gently to leverage the weed out of the ground with roots attached.
- 4 Press the quick-release ejector to drop the weed into a disposal area without touching it.
- 5 Repeat the process for additional weeds, adjusting handle length for comfort.

Care & Maintenance:

After each use, clean soil and debris from the claws and foot pedal. Wipe dry to prevent rust. Store the tool in a cool, dry place. Check handle connections periodically and tighten if necessary.

Warranty:

This product is covered by a 30-day limited warranty from the date of purchase. Defects in material or workmanship under normal use may be eligible for replacement or refund. This warranty does not cover damages caused by misuse, alterations, improper storage, or normal wear and tear.
