USE & CARE

Under normal use, Sunnydaze hammock chair stands will last for years. It is important to follow basic use & care tips to prolong the life of your stand.

- **SAFE USE:** Do not use this chair stand for swinging, bouncing, jumping, twisting, or other excessive movements; doing so may cause serious injury, including, but not limited to, the stand tipping over.
- **CHILDREN:** Supervise children at all times. Do not allow children to play on or sleep in any hanging chair. Chair not included.
- **INSPECTION:** Ensure the stand is assembled correctly and all hardware is securely tightened before each use.
- **CLEANING:** Use a soft cloth, warm water and soap to wipe down the stand if necessary. Dry the stand after cleaning to prevent rust.
- **SCRATCHES:** The powder coating on the stand is tough and durable but, even under normal use, some scratching is inevitable. To avoid excessive rust, wipe these areas as needed to remove moisture.
- **STORAGE:** Store the stand indoors when not in use. Cool, dry locations are recommended to prevent damage and rust that may result from exposure to moisture.

TROUBLESHOOTING

- If the stand feels unstable, make sure it is on a level surface and the feet are correctly and evenly distributed.
- If the stand is making noise when in use, check to make sure all hardware is fully tightened.
