

STORM AND SCREEN DOORS

**MAKE AN ENTRANCE.
STYLE. FUNCTION. DURABILITY.**

WHY A STORM DOOR

A simple, relatively low-cost upgrade, storm doors provide a variety of benefits. Whether you're looking for energy efficiency, curb appeal or additional protection, an Andersen® storm door is a great addition to your home.

- Allows more natural light to stream in, brightening your home
- Increases ventilation while helping keep bugs out
- Opens up your view and offers added visibility
- Provides an additional layer of insulation for added energy efficiency
- Helps protect your home from the elements while enhancing your view to the outside

FULL VIEW INTERCHANGEABLE

Let in the maximum amount of light and air while beautifully framing your entryway.

See page 4.

FULL VIEW RETRACTABLE

Let in an abundance of light while benefiting from a convenient, built-in retractable screen without removing a glass panel.

See page 8

¾ LIGHT PARTIAL VIEW VENTILATING

Enhance your entryway with a classic look at an exceptional value with a solid, lower embossed panel.

See page 13

½ LIGHT PARTIAL VIEW VENTILATING

The ½ light panel offers traditional style with a solid, lower embossed panel.

See page 13.

THE ANDERSEN DIFFERENCE

QUALITY HANDLE SETS

Customize your storm door with a variety of handle set options. Select a finish and style that complements the look of your home.

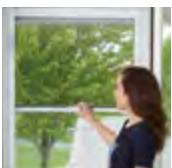

REINFORCED CORNERS

Built-to-last* construction featuring reinforced metal corner brackets helps the door corners stay square over time for long-lasting smooth operation.

QUICK CHANGE SYSTEM

Change from insect screen to full glass panel in less than a minute with a simple flip of the handle.

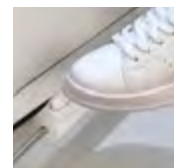

RETRACTABLE INSECT SCREEN

Enjoy convenient any-time ventilation with a retractable insect screen that rolls into the door frame and out of view when not in use.

TIME-SAVING INSTALLATIONS

Andersen has taken the hassle out of installing a storm door. Install with confidence with our easy and convenient installation systems. See page 18 for details.

CONVENIENT SIMPLE STEP CLOSER

Hold the door open with the simple tap of your toe. To release, push the door open slightly and the door closes.

*Visit stormdoors.com for warranty details.

4000 SERIES FULL VIEW INTERCHANGEABLE

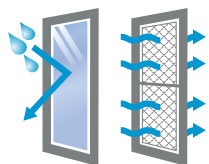

4000 Series Full View Interchangeable Storm Door in Black

VENTILATION

Exclusive to Andersen, our innovative Quick Change System allows you to go from full ventilation to full glass in less than a minute with a simple flip of the handle.

EXCLUSIVE QUICK CHANGE SYSTEM

- 
RELEASE
- 
FLIP
- 
SWITCH

BOTH GLASS & INSECT SCREEN PANEL INCLUDED

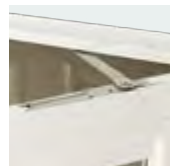

Full glass for protection from the elements or insect screen panel for full ventilation

Note: Doors with laminated glass panels are permanently secured to the door frame and do not feature the Quick Change System or an insect screen panel for ventilation.

Carefully store the panel when not in use.

OPERATION

For advanced operation, this door includes our new SmoothControl Plus™ Close System. The built-in dual closer system allows for more consistent latching and a smoother close motion. It also has an easy-to-use hold-open feature and simple close speed adjustment.

SECURITY

Built-in keyed deadbolt lock for added security.

Enhanced Security

Choose laminated glass for added security. Doors with laminated glass include a 3-point lock built into the top, middle and bottom of the frame and shatter-resistant laminated glass.

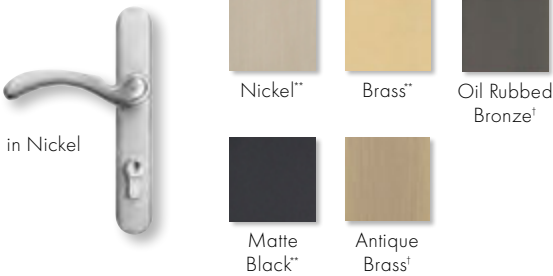

Note: Doors with laminated glass panels are permanently secured to the door frame and do not feature the Quick Change System or an insect screen panel for ventilation.

INSTALLATION SYSTEMS

45
MINUTE **EASY**
Install™

Faster and easier to install
than any other storm door!

- Pre-assembled for easy installation with only basic tools in as little as 45 minutes
- Frame is cut to length and handle holes are pre-drilled
- Minimal installation steps with no tricky measurements or sawing
- Storm door is ready to secure into the door opening in minutes
- Choose left or right swing to best fit your entryway (see page 19 for details)

2
hour **EASY**
Install™

Enhanced installation system
requires only basic skills and tools!

- Prepped for easy assembly and installation with only basic skills and tools in about 2 hours
- Convenient spacer clips eliminate guesswork by ensuring door is level and aligned in the opening before securing
- Universal handing allows door to be assembled and installed as either left or right swing

**WE ARE TAKING THE HASSLE OUT OF INSTALLING A STORM DOOR,
SO THERE'S NO SECOND-GUESSING. JUST A JOB WELL-DONE THE FIRST TIME.**

MEASURING GUIDE

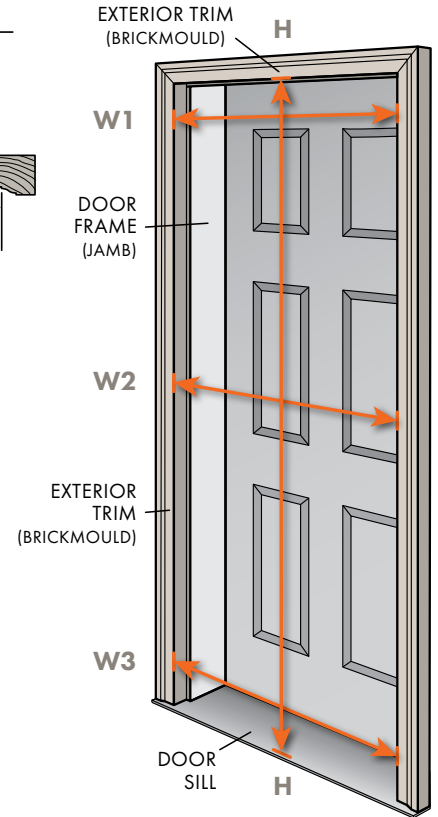

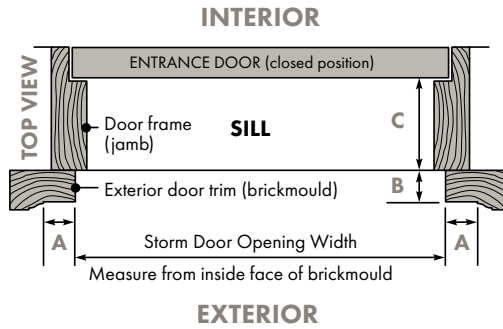

1 CHECK TO ENSURE DOOR OPENING AND TRIM ALLOW ENOUGH SPACE FOR A STORM DOOR

DIMENSION A: Minimum $\frac{3}{4}$ " width flat trim surface required

DIMENSION B: Minimum 1" trim (brickmould) depth required

DIMENSION C: Minimum of $2\frac{1}{2}$ " door frame (jamb) depth required*

*Depending on the depth and location of your entry door handle set, additional clearance may be needed.

2 MEASURE DOOR OPENING IN ORDER TO DETERMINE THE SIZE STORM DOOR YOU NEED

Measure the width of the door opening at the inside face of exterior trim on each side at top, center & bottom and record the shortest measurement.

(see measure points W1, W2 & W3 in the illustration)

RECORD YOUR SHORTEST
WIDTH MEASUREMENT:

W:

Measure for the height from the sill to the under-side of the brickmould at the top

(see measure point H in the illustration)

RECORD YOUR
HEIGHT MEASUREMENT:

H:

3 DETERMINE THE SIZE YOU NEED BASED ON THE DOOR OPENING MEASUREMENTS AND THE STORM DOOR MODEL THAT IS SELECTED

STANDARD DOOR SIZE WIDTH RANGES:	30"	32"	34"	36"	STANDARD DOOR SIZE HEIGHT RANGES:	80"
Andersen 4000 & 3000 Series Storm Doors with 45 Minute Easy Install System	29 7/8" TO 30 3/8"	31 7/8" TO 32 3/8"	33 7/8" TO 34 3/8"	35 7/8" TO 36 3/8"	X	80" TO 80 7/8"
Andersen 2000, 400, 300, and 200 Series Storm Doors	29 3/4" TO 30 3/8"	31 3/4" TO 32 3/8"	33 3/4" TO 34 3/8"	35 3/4" TO 36 3/8"	X	80" TO 80 7/8"

If your measurements are outside the standard width or height ranges shown above, you will require a custom size door.**

	CUSTOM	CUSTOM XL		CUSTOM	CUSTOM XL
Full View Custom Door Opening WIDTHS:	27 7/8" TO 38 3/8"	27 7/8" TO 42"	Partial View Custom Door Opening WIDTHS:	27 3/4" TO 38 3/8"	38 1/2" TO 42"
Full View Custom Door Opening HEIGHTS:	72" TO 84 7/8"	72" TO 96"	Partial View Custom Door Opening HEIGHTS:	75" TO 84 7/8"	79" TO 91"

** Select storm door models and select options are not available in custom sizes.

4 CHOOSE THE DOOR HANDING THAT WORKS BEST FOR YOUR ENTRYWAY

If you choose an Andersen 4000 or 3000 Series Storm Door with the 45 Minute Easy Install System, handing will need to be specified at the time of purchase.

Left Handed (LH)

Right Handed (RH)
