

METAL ROOF PANEL HANDLING & STORAGE

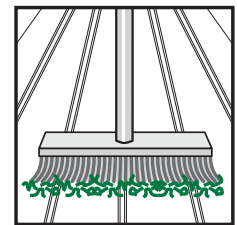

Store off the ground, inside in a well ventilated, dry location. Block the pallet on an angle **to permit drainage**. For temporary outside storage, block pallet on a angle to permit drainage and cover with a **breathable tarp** (do not use plastic).

CAUTION! Sharp edges!
Use gloves to prevent injury.

Do not write directly on Metal Roofing panels or trim.

Remove metal shavings after drilling or cutting, to avoid rust stains.

Avoid contact with any corrosive materials or dissimilar metals.

This product is not recommended for direct contact with **treated lumber**.

Do not use a panel saw for cuts. Cutting should be done with "scissor" cutting tools.

CRITICAL WARRANTY INFORMATION

Failure to comply with these storage procedures relieves the manufacturer of responsibility for any resultant damage to, or deterioration of, the product and voids all warranties. There is no implied warranty of merchantability or fitness for purpose.
