

USAGE GUIDE

Create:	Temporary art, games, obstacle courses, special occasion markings, sports fields, proposals and more!
Use On:	Concrete, Grass, Asphalt, Snow, Sand, Pavers, Vinyl Siding & Glass Not recommended for use on freshly sealed asphalt or wood surfaces.
Coverage:	Sprays up to 80 linear feet

To Apply:

Shake well before use. Hold can 4-10" from surface. If spraying towards the ground hold can at a 45° angle. If tip clogs run under warm water to clean. For outdoor use and temporary markings. Color fades naturally to white in 7 days*, washes away naturally with water. Spray Chalk contains colorants that may stain clothing. Never use on clothing. Wash clothing promptly with an oxygen-based cleaning product.

To Remove:

Rinse surface with water pressure from a garden hose; light brushing may be required on porous surfaces.

*Long term contact or extended exposure to sunlight may result in left over residue on surface. Spray off within 24 hours to avoid potential discoloration. If residue remains, use household cleaner such as Krud Kutter to remove.
