MSI STAINLESS STEEL SINKS

DOUBLE BOWL 60/40 - 3120

This contemporary double bowl undermount sink is constructed with 18-gauge thickness stainless steel for reliable durability.

With one large and one smaller basin (60/40), it accommodates your large cookware such as stockpots and baking sheets while keeping everyday glasses and dishes separate and safe.

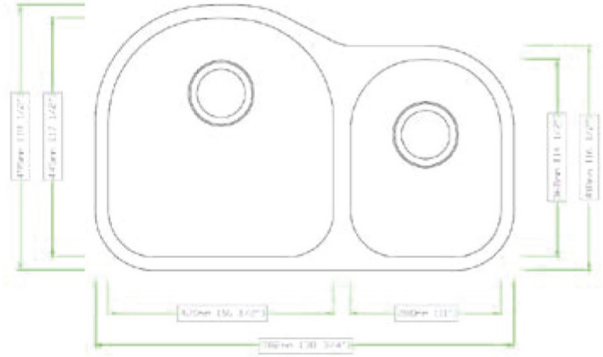

An ideal choice for busy homes and light commercial environments, this easy to clean sink offers innovate sound shielding pads as well as a beautiful brushed satin finish that helps minimize small scratches. Long lasting quality and elegance come together in this popular double bowl stainless steel sink. Backed by a limited lifetime warranty with **Strainer included and stainless-steel grid available as an option**.
