WHY FIBERON?

EXCEPTIONAL

Composite decking offers clear advantages over wood.

BEAUTIFUL FROM START TO FINISH

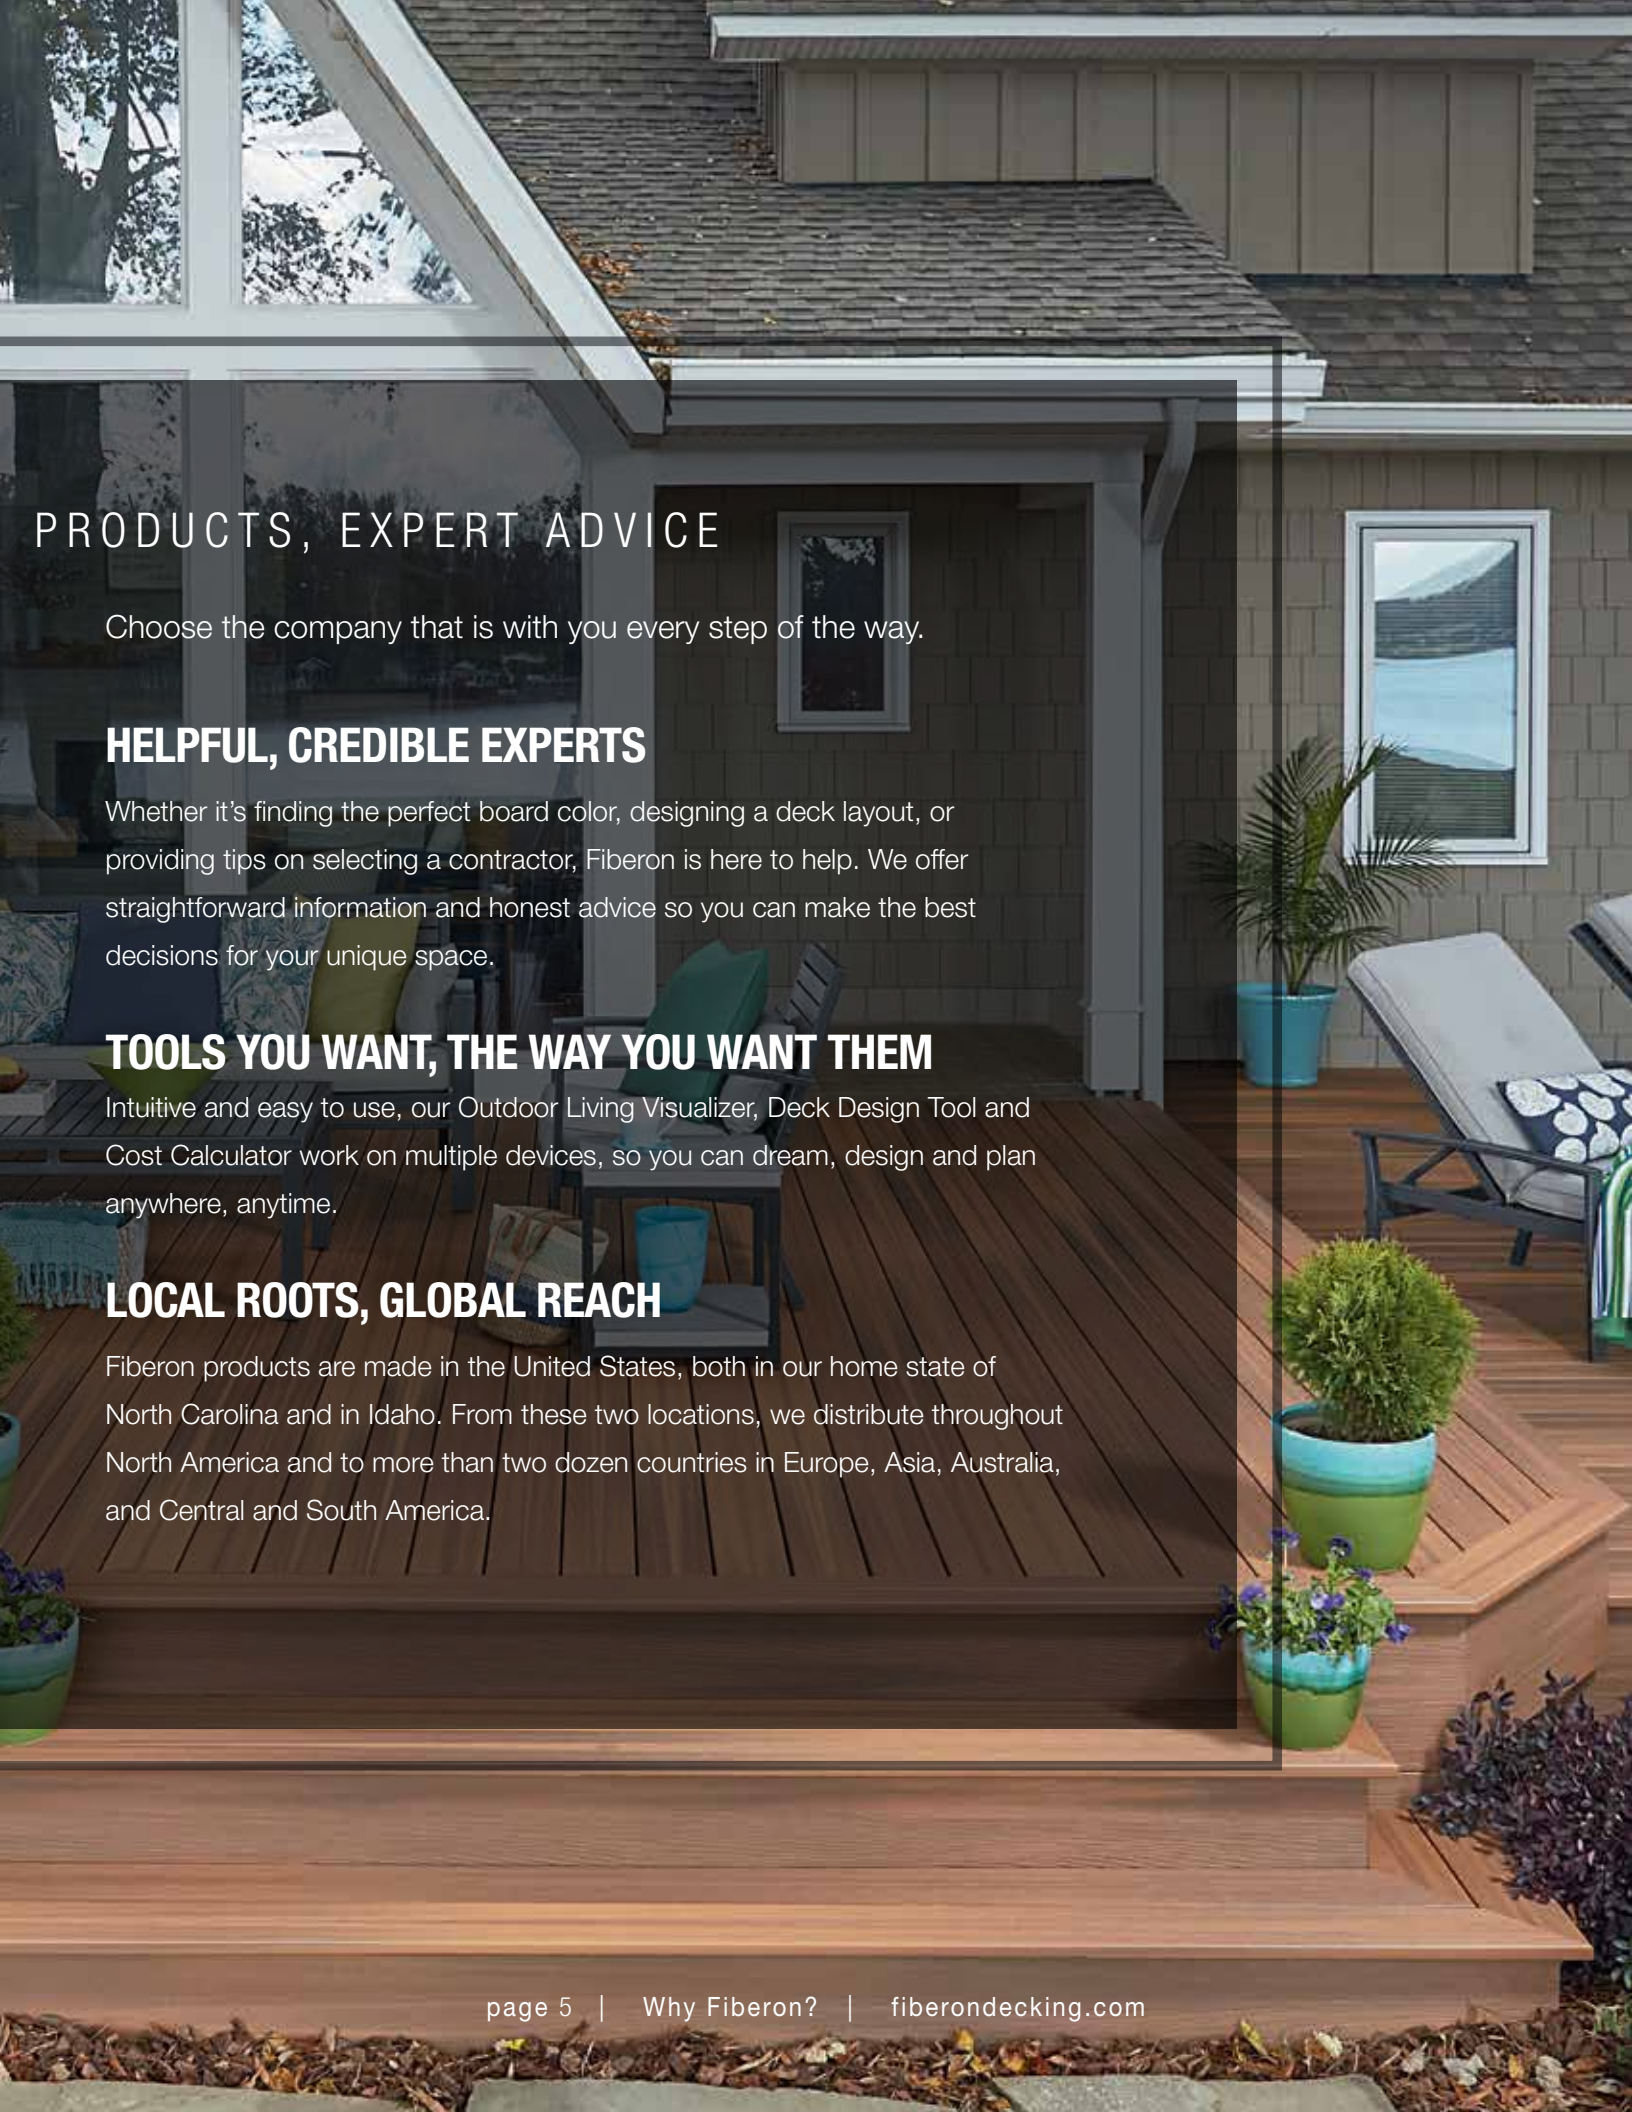

If you haven't seen today's composite decking, you're in for a treat. Fiberon capped composites capture the warmth and beauty of natural and exotic hardwoods, complete with subtle streaking, varied grain patterns and rich color palettes. And since capped composite decking doesn't fade or degrade like wood, the look you love today will still be there tomorrow.

LONGER LIFESPAN, LOWER COST OF OWNERSHIP

The average pressure-treated deck can cost thousands per year to maintain and will need replacing before you know it. Fiberon composite decks average less than \$50 in annual maintenance costs. Plus, Fiberon offers decking with stain, fade and performance warranties so you can buy and build with confidence.

SAFE FOR YOUR FAMILY, SAFE FOR THE ENVIRONMENT

Fiberon composite decking contains recycled plastics and lumber mill scraps – enough to prevent 70,000 tons of waste from reaching landfills and incinerators each year. Unlike wood, our composites prevent further deforestation. Plus, they are free of toxic chemicals and manufactured using sustainable processes.

PRODUCTS, EXPERT ADVICE

Choose the company that is with you every step of the way.

HELPFUL, CREDIBLE EXPERTS

Whether it's finding the perfect board color, designing a deck layout, or providing tips on selecting a contractor, Fiberon is here to help. We offer straightforward information and honest advice so you can make the best decisions for your unique space.

TOOLS YOU WANT, THE WAY YOU WANT THEM

Intuitive and easy to use, our Outdoor Living Visualizer, Deck Design Tool and Cost Calculator work on multiple devices, so you can dream, design and plan anywhere, anytime.

LOCAL ROOTS, GLOBAL REACH

Fiberon products are made in the United States, both in our home state of North Carolina and in Idaho. From these two locations, we distribute throughout North America and to more than two dozen countries in Europe, Asia, Australia, and Central and South America.

DECKING

RECLAIM YOUR WEEKENDS

Free time was meant for rest and relaxation, not sanders and deck stain. Fortunately, Fiberon decking is incredibly easy to maintain. No more Saturdays spent sanding or re-staining your deck or paying someone else to do it. Our patented PermaTech® cap layer protects against spills, stains, and UV rays, while the solid composite construction means no splintering, cracking or rotting. Wood decking simply can't compare.

PARAMOUNT

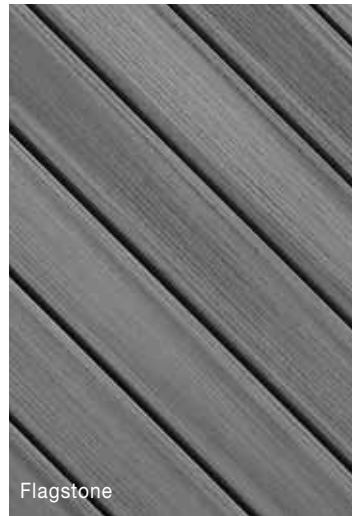

READY FOR ANYTHING

Able to withstand moisture, dents and even flames, Paramount® PVC Decking truly is ready for anything. Perfect for docks and other waterside applications, Paramount Decking is easy to handle, easy to maintain and so tough it carries a Lifetime Limited Warranty.

- Ideal for waterside applications (no organic content).
- Lightweight, easy-to-handle boards.
- Resists moisture, dents and flames.
- Offers exceptional slip resistance when dry or wet.

CHOOSE YOUR COLOR

Three multi-chromatic colors and one solid color provide plenty of design options.

GET THE DETAILS

Square Edge = 1 in. x 5.5 in.
Length: 20 ft.

Grooved Edge = 1 in. x 5.5 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .50 in. x 11.75 in. x 12 ft.

Complementary solid fascia colors: Brown, Sand and Flagstone / Mineral.

FYI

Lightweight Paramount is wood-free, so there's no organic content to promote mold growth. It's an ideal choice for docks and other waterside applications.

Paramount PVC Decking in Sandstone.

SYMMETRY

BEAUTIFULLY BALANCED

The natural wood beauty is undeniable; the advanced composite technology, unbeatable. Saturated colors with multi-chromatic streaking deliver authentic appeal you simply can't find elsewhere. The exclusive PermaTech® cap layer protects against fading and staining, while the durable composite core ensures exceptional resistance to rotting, cracking, insects and decay. This is nature and science in perfect harmony. This is Symmetry® Decking.

- Low-gloss formula and micro-texturing create a unique matte finish.
- Multi-chromatic streaking echoes elegant hardwoods.
- Subtle grain patterns feature no discernible repeats.
- Durable composite core resists splintering, rotting, cracking, insects and decay.
- Four-sided PermaTech cap layer resists staining and fading.
- Finished surface on top and bottom is ideal for second-story decks.

CHOOSE YOUR COLOR

The earthy color palette was inspired by natural elements and pigments.

GET THE DETAILS

Square Edge = .935 in. x 5.4 in.
Length: 20 ft.

Grooved Edge = .935 in. x 5.4 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Riser board: .75 in. x 7.25 in. x 12 ft.

Matching fascia and riser colors: Warm Sienna, Burnt Umber, Cinnabar and Graphite.

FYI

Symmetry Decking features more random natural graining than other composite decking. There are no visible repeats or easy-to-discern patterns, which gives the boards a more natural, authentic wood look.

Symmetry Decking in Warm Sienna.

HORIZON

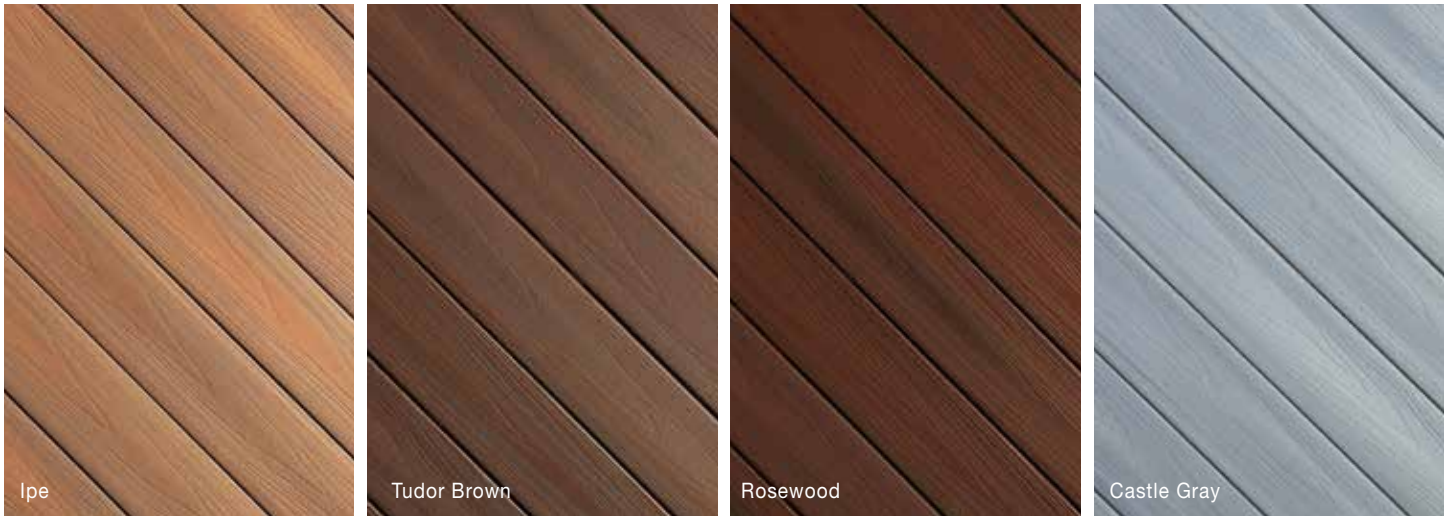

DRAMATICALLY DIFFERENT

Bold and dramatic, Horizon® Decking delivers rich colors, elegant streaking and distinct grain patterns. Four-sided capping ensures superior stain and fade resistance plus a polished appearance on top and bottom. The durable composite core resists splintering, cracking, rotting, insects and decay. And all at a price that is comparable to others' non-reversible decking.

- Dramatic colors and streaking emulate exotic hardwoods.
- Four-sided PermaTech® cap layer resists staining and fading.
- Durable composite core resists splintering, rotting, cracking, insects and decay.
- Reversible boards save time and money, reduce waste.
- Priced comparably to others' non-reversible boards.

CHOOSE YOUR COLOR

This collection is known for its distinctive, multi-chromatic color palette.

GET THE DETAILS

Square Edge = .935 in. x 5.4 in.
Length: 20 ft.

Grooved Edge = .935 in. x 5.4 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Riser board: .75 in. x 7.25 in. x 12 ft.

Matching fascia and riser colors: Ipe, Tudor Brown, Rosewood and Castle Gray.

FYI

If you have an open space beneath your deck, a reversible board like Horizon ensures a clean, finished look on the bottom as well as the top.

Horizon Decking in Castle Gray.

PROTECT ADVANTAGE

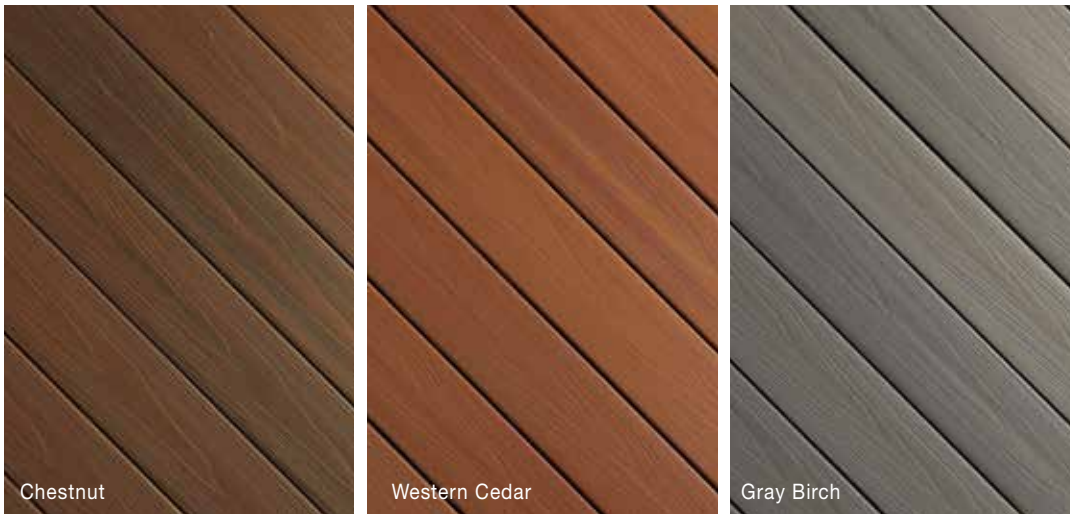

ALL-AROUND PERFORMER

Style, durability and easy maintenance — ProTect Advantage® Decking has it all. Available in three gorgeous colors with multi-chromatic streaking, these boards feature our exclusive PermaTech® cap layer on three sides for exceptional resistance to staining and fading. Solid composite core resists splintering, cracking, rotting, insects and decay. A 25-year warranty provides added peace of mind.

- Features PermaTech cap layer on three sides for stain and fade resistance.
- Offers a look comparable to premium hardwoods.
- Quality composite construction enhances durability, ensures longevity.
- Great choice for lower-level decks.

CHOOSE YOUR COLOR

Rich hues and multi-chromatic streaking reflect the beauty of premium hardwoods.

GET THE DETAILS

Square Edge = .93 in. x 5.3 in.
Length: 20 ft.

Grooved Edge = .93 in. x 5.3 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Riser board: .75 in. x 7.25 in. x 12 ft.

Matching fascia and riser colors: Chestnut, Western Cedar and Gray Birch.

FYI

For a lower-level deck or porch, a three-sided capped board such as ProTect Advantage is a smart consideration.

ProTect Advantage Decking in Gray Birch.

GOOD LIFE

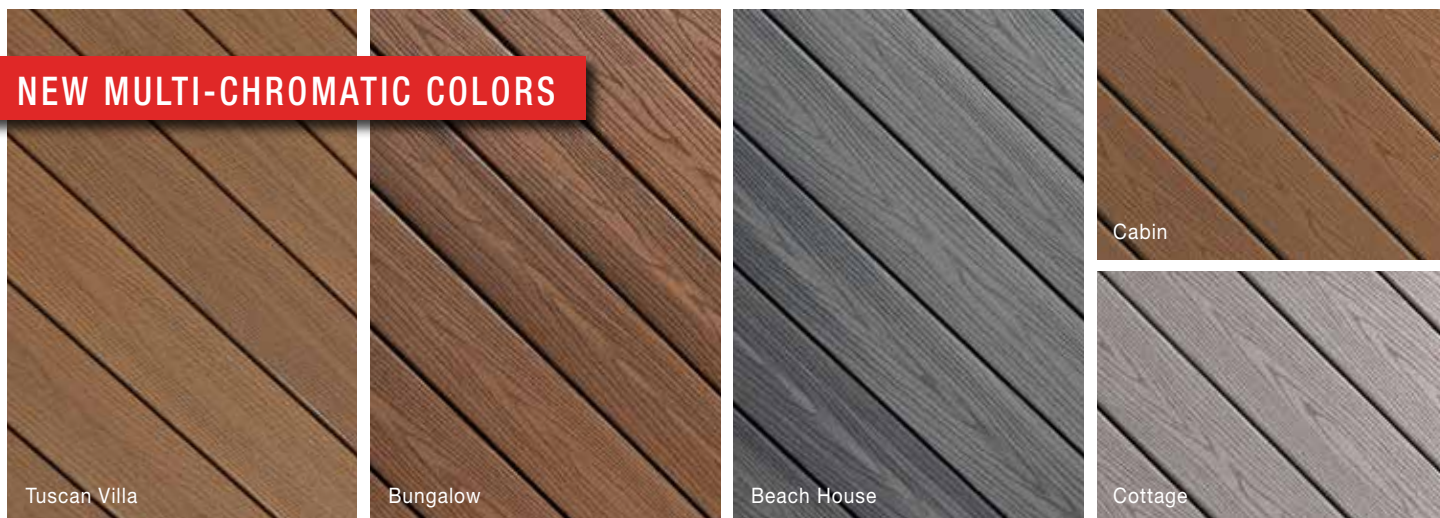

MORE FOR YOUR MONEY

Good Life Decking has always offered an unbeatable combination of performance, durability and value. And now, Good Life Decking offers the rich, nuanced look of tropical hardwoods with three new multi-chromatic colors — Beach House, Bungalow and Tuscan Villa. It's never been easier to elevate the style and sophistication of your outdoor space while keeping your budget down to earth.

- Authentic wood look features distinct grain patterns.
- Multi-chromatic colors resemble exotic hardwoods.
- Solid colors look like traditional stained decking.
- Composite construction prevents splintering, cracking and decay.
- Three-sided cap layer resists staining and fading.
- Durable, long-lasting, and priced closer to wood.

CHOOSE YOUR COLOR

Multi-chromatic colors increase visual appeal; solid colors resemble traditional stained decking.

GET THE DETAILS

Square Edge = .93 in. x 5.25 in.
Length: 20 ft.

Grooved Edge = .93 in. x 5.25 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Matching fascia colors: Tuscan Villa, Bungalow, Beach House, Cabin and Cottage.

FYI

Now Good Life Decking is available in three rich, multi-chromatic colors as well as our original solid shades. These new colors rival the look of tropical hardwoods while our tried-and-true originals resemble traditional painted wood.

Good Life Decking in Beach House.

SANCTUARY

RUSTIC REFINED

Whether you're seeking solitude or social time, you can enjoy a beautiful, easy-to-own outdoor living space with Sanctuary® Decking. Sanctuary Decking is the perfect blend of good looks, great performance and easy maintenance. And with the innovative PermaTech® cap layer for stain and fade resistance and a durable composite core, your Sanctuary deck will stay looking beautiful year after year.

- Multi-chromatic colors with bold, high-traction wood grain.
- Three-sided PermaTech cap layer resists staining and fading.
- Strong composite construction prevents splintering, cracking, insect infestation and decay.
- Never needs painting or refinishing.
- Quality composite construction enhances durability, ensures longevity.

CHOOSE YOUR COLOR

Rich, extensive color palette complements a range of design aesthetics.

GET THE DETAILS

Square Edge = .925 in. x 5.25 in.
Length: 16 ft.

Grooved Edge = .925 in. x 5.25 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Complementary fascia color: Horizon Ipe (for use with Jatoba).

FYI

A distinct graining pattern and golden brown wood tones gives Sanctuary Decking a desired look. Available as a stock product in select markets, on [homedepot.com](https://www.homedepot.com) and special order. See The Home Depot Pro Desk and ask for details.

Sanctuary Decking in Jatoba.

ARMORGUARD

HIGH PERFORMANCE DECKING

ArmorGuard® Decking features Fiberon's patent-pending PermaTech® technology, providing durability and lasting, exotic wood colors, warranted for 20 years against staining and fading. ArmorGuard Decking is mold and mildew resistant and never needs annual preserving or painting.

- Beautiful and durable PermaTech protective surface with realistic wood grain.
- The rich look of exotic hardwoods in multi-chromatic colors.
- Easy to clean, mold and mildew resistant.
- 20-year stain and fade limited warranty.

CHOOSE YOUR COLOR

Rich hues and multi-chromatic streaking reflect the beauty of premium hardwoods.

GET THE DETAILS

Square Edge = .93 in. x 5.3 in.
Length: 8 ft. and 20 ft.

Grooved Edge = .93 in. x 5.3 in.
Lengths: 12 ft., 16 ft. and 20 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Matching fascia: Brazilian Walnut, Coastal Cedar, Nantucket Gray and Seaside Gray.

For the most up-to-date information and specifications, visit fiberondecking.com or call 1-800-230-7547.

ArmorGuard Decking in Brazilian Walnut.

FYI

ArmorGuard multi-chromatic color streaking emulates elegant hardwoods. Use Fiberon ArmorGuard Hidden Fasteners with Fiberon ArmorGuard deck boards for the best installation and appearance.

VERANDA

LOW-MAINTENANCE DECKING

Veranda® Composite Decking offers more homeowners the benefits of capped composite decking at a price closer to wood. Available in two popular solid colors, Brown and Gray, Veranda Composite Decking is capped on three sides and backed by a 15-year limited warranty.

- Great performance, exceptional value.
- Prefinished with durable, protective cap.
- Resists mold and mildew, easy to clean.
- No rotting, warping or splintering.
- 15-year limited warranty.

CHOOSE YOUR COLOR

Two popular solid colors offer the benefits of composite decking at a price closer to wood.

GET THE DETAILS

Square Edge = .93 in. x 5.3 in.
Length: 12 ft. and 16 ft.

Fascia: .75 in. x 11.25 in. x 12 ft.

Complementary fascia: Fiberon Good Life Cabin (Brown) and Fiberon ArmorGuard Seaside Gray.

FYI

Veranda Decking offers a like-wood appearance and popular color options at a price point that's closer to pressure-treated lumber. Why settle?

Veranda Decking in Gray.

FIBERON ARMORGUARD | HIDDEN FASTENERS

FIBERON LINE, BUTT JOINT AND START / STOP

Tried and true, Fiberon® ArmorGuard® Hidden Fasteners ensure lasting hold in a traditional metal fastener design.

- Made from stainless steel with corrosion-resistant coating.
- More “teeth” and sharper curves grip deck boards for a stronger hold to the joist.
- Keyhole design properly orients and seats the screw for optimal installation.
- Butt Joint Fasteners eliminate the need to double joist or use two fasteners at joints.
- Start / Stop Fasteners eliminate surface fasteners on the beginning and end boards of the deck.
- Line Fasteners work with interior deck boards.
- Start / Stop Fasteners work with perimeter boards.

HOW TO PURCHASE

ArmorGuard Hidden Deck Fasteners

- Available in boxes of 90 (50 sq. ft. of coverage) for 16 in. on-center installations.
- Each box includes 80 Line Fasteners, 10 Butt Joint Fasteners and six Start / Stop Fasteners, 95 Screws #8 x 1 5/ in., six Screws #8 x 7/8 in. and one Driver Bit.
- Also available in buckets of 900 (500 sq. ft. of coverage) for 16 in. on-center installations.

HOW THEY WORK

Hidden fasteners ensure a smooth surface and more seamless transition from indoor to outdoor spaces.

For ArmorGuard Hidden Fasteners, the fastener is installed into the groove and a screw is driven into the joist at an angle.

DECK FASTENERS

THE RIGHT HARDWARE FOR THE JOB

Small details make a big difference — like fasteners. Whether undercover or on the surface, the right fastener keeps decking secure and creates a polished appearance that's a treat for your eyes as well as your toes.

Sanctuary Decking in Jatoba.

RAILING

PUT DOWN YOUR PAINT BRUSH

What's more painful than a splinter from your old wood railing? Spending your weekend repainting that railing. With Fiberon composite railing, there's no sanding, scraping or repainting. And definitely no splinters.

Drop the paintbrush. Free time is calling.

ARMORGUARD RAILING

STRONG IS STYLISH

ArmorGuard® Railing is a proven performer. Choose between popular flat or decorative top profiles for your deck, porch or balcony. ArmorGuard Railing complements any architectural style and is available with white square composite balusters.

- High-quality composite never needs to be stained or painted.
- Eco-friendly composite core and durable PVC Coating ensure lasting performance.
- Easy installation makes it DIY-friendly.
- No splintering, cracking or rotting.
- 20-year limited warranty.

FENCING

HOW TO GO FROM DREAMING TO DONE

With a little free time, a computer and our online tools, you'll have everything you need to create the perfect outdoor space.

VERANDA

LOW-MAINTENANCE COMPOSITE FENCING

Veranda® Composite Fencing uses multi-chromatic technology combined with heavy embossing to create a fence with exceptional depth, texture, flexibility and long-lasting beauty. Frame your outdoor space with Veranda Fencing, a fence that retains its beauty and never needs staining.

- The look and feel of wood.
- Heavy embossing, multi-chromatic colors.
- Low maintenance, never paint or stain.
- Resistant to splitting, decay and infestation.
- Easy installation, installs on face of the 4x4 posts or side mount using color matched brackets.
- Contains over 75% recycled material.
- Gothic Spaced Picket available in pre-built sections.
- Build Shadowbox, Board on Board, Traditional Privacy or Ranch Rail.
- 6 ft. H x 6 ft. L fence system of pickets and rails.
- Gate system available for 6 ft. H x 6 ft. L system (not available for Ranch Rail or Gothic Spaced Picket fence systems).
- 10- and 15-year limited warranties.

CHOOSE YOUR COLOR

Rich hues and multi-chromatic streaking reflect the beauty of wood.

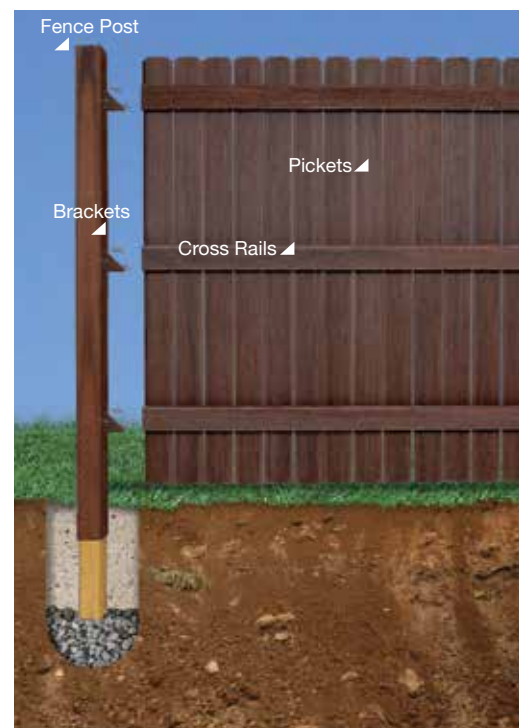

Jatoba

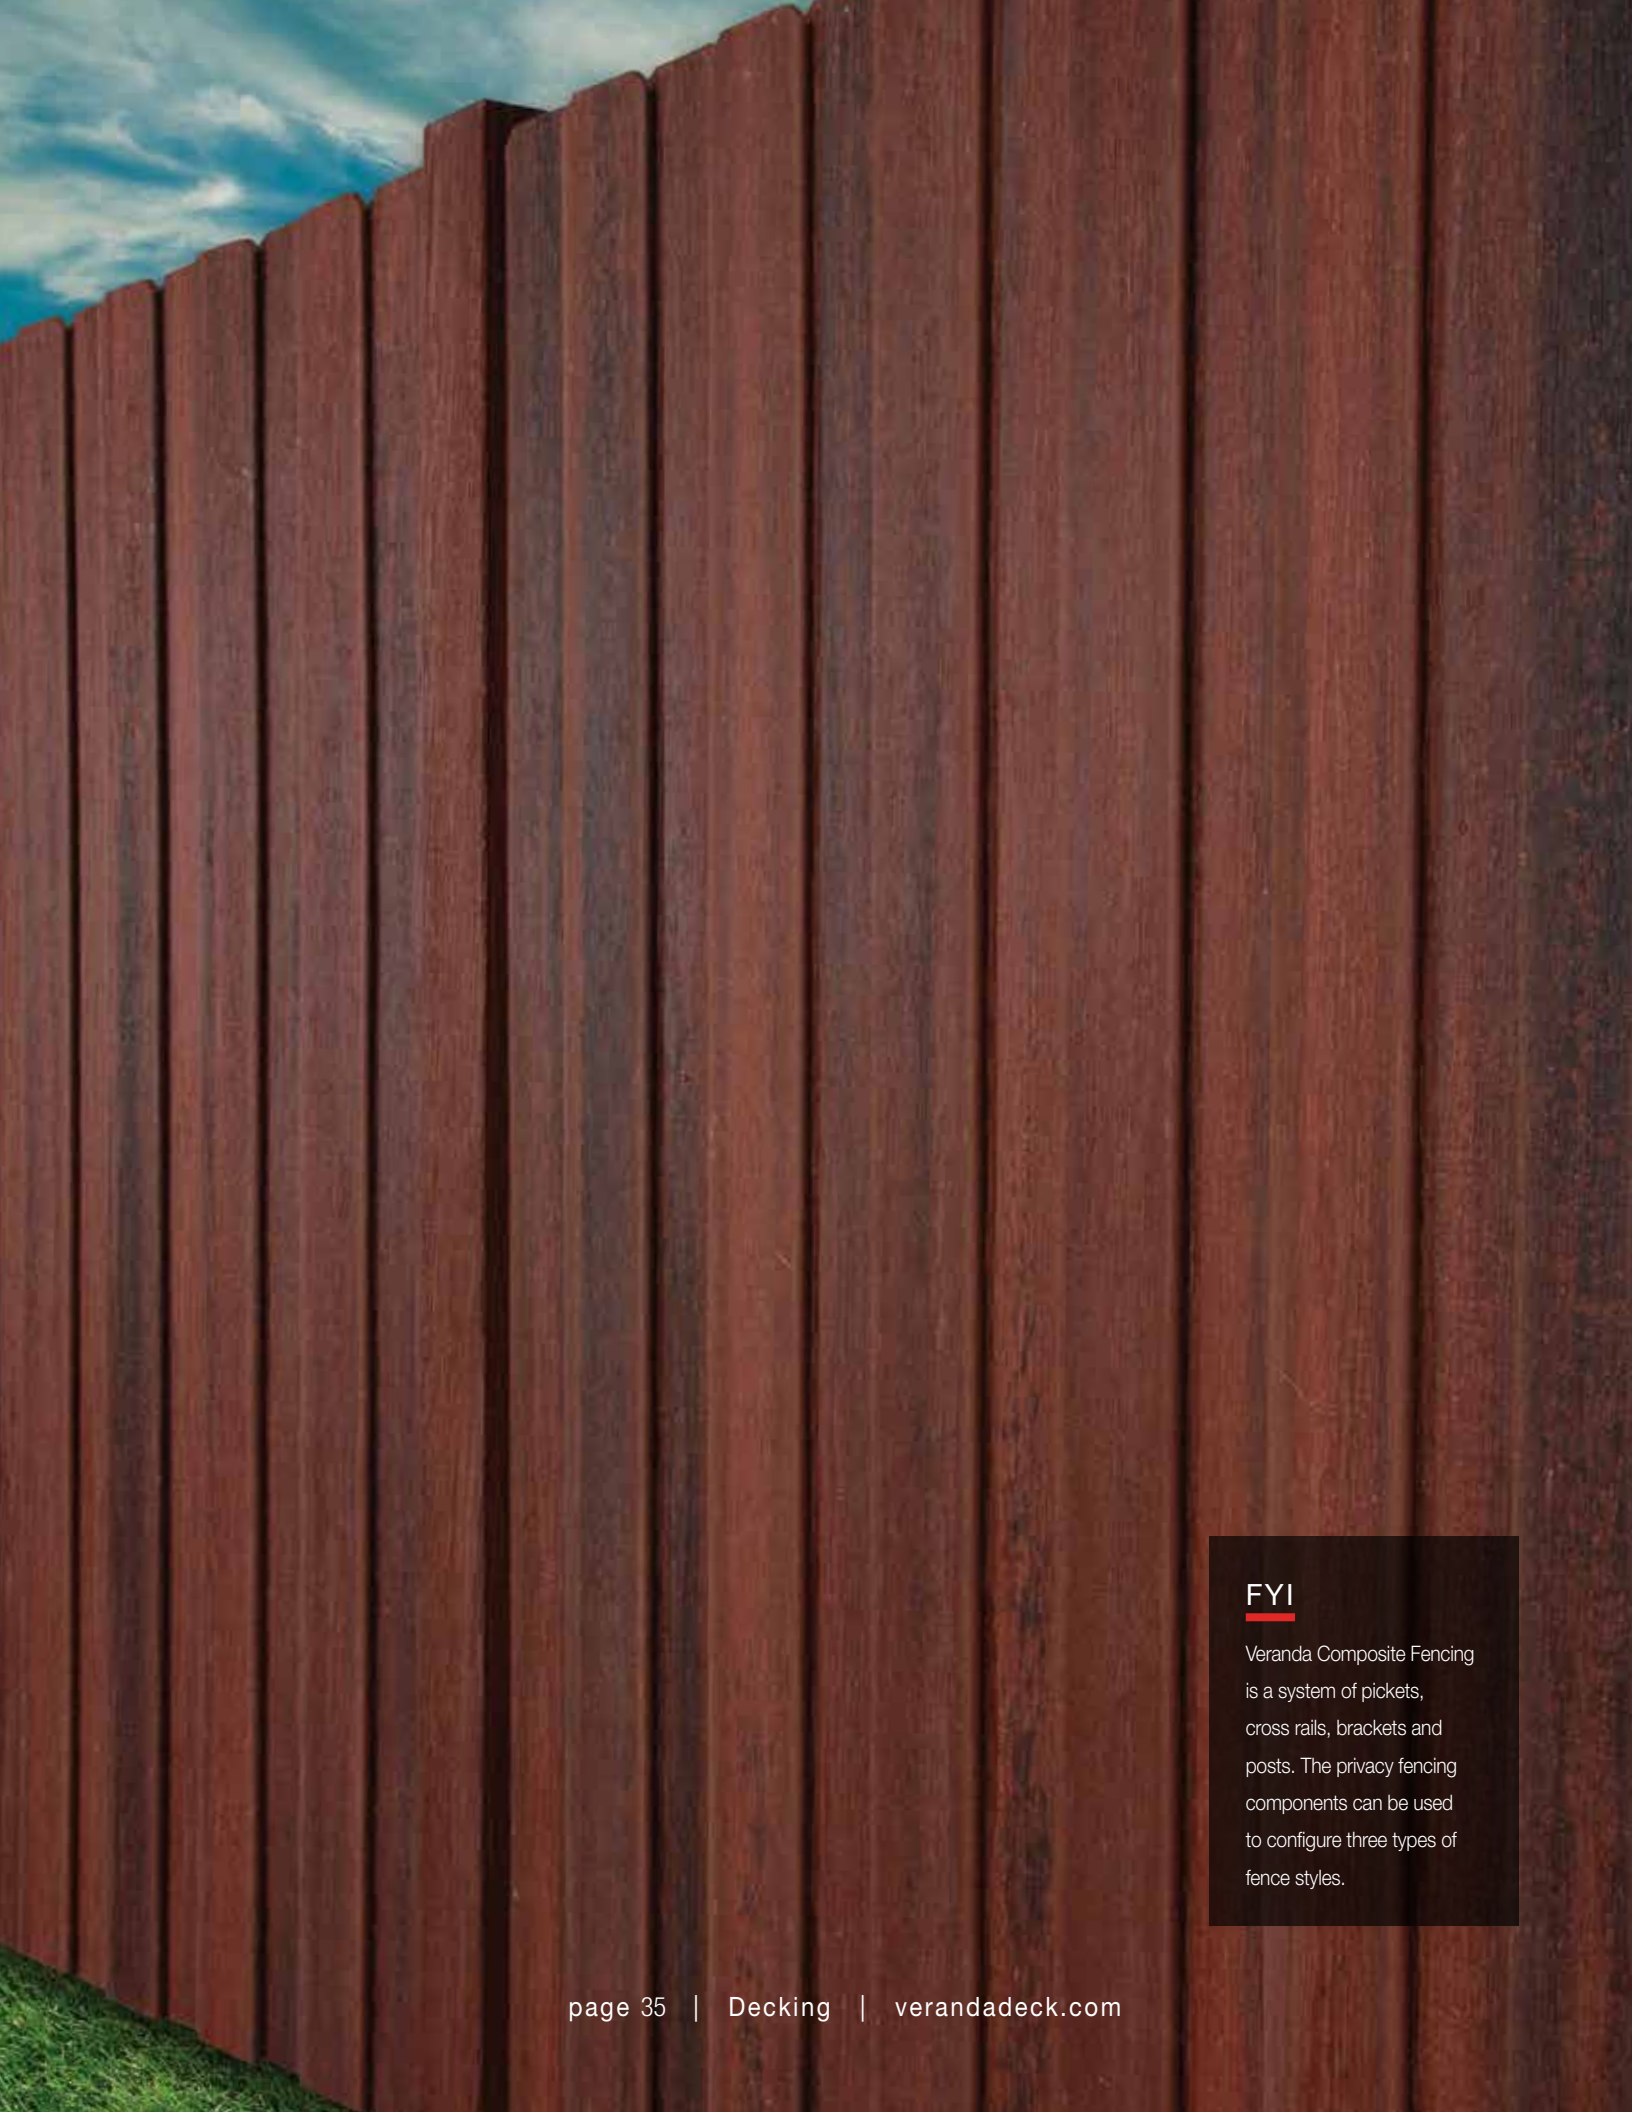

Heartwood

Cape Cod

FYI

Veranda Composite Fencing is a system of pickets, cross rails, brackets and posts. The privacy fencing components can be used to configure three types of fence styles.
