Victorinox Swiss Army Cutlery Warranty

LIFETIME LIMITED WARRANTY

Victorinox AG guarantees all Victorinox Cutlery to be of first-class steel and provides a lifetime warranty against any defects in material and workmanship.

The warranty does not apply to damage caused by abnormal or unreasonable use of any of the implements (including repairs or alterations other than by our Authorized Service Center). A \$5.00 handling charge will be assessed for each unit repaired or replaced under warranty.

This warranty gives you specific legal rights. Additional rights may be available under the laws of your State or Province. It is in place of all other warranties, including warranty of fitness for a particular purpose and warranty of merchantability and excludes any liability for incidental or consequential damages.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.

REPAIRS

If your cutlery has a manufacturer's defect covered by our warranty, we will either repair or replace it, at our option, without charge. In California and other states so requiring, you may return the cutlery through your place of purchase.

Damaged cutlery not covered by the warranty can be repaired. Note that repair costs and handling charges may apply. If so, you will receive an estimate for approval for any associated repair charges. All warranty repairs or replacements are at the sole discretion of the Victorinox Swiss Army Authorized Repair Center and we reserve the right to refuse a request for any reason.
