## The Glistening Pine Collection

The Glistening Pine artificial Christmas tree from Fraser Hill Farm features lifelike foliage with an elegant frosting of shimmer as though the branches have been kissed by a winter frost. Fraser Hill Farm produces the most realistic trees in the market, featuring all the long-term benefits that come with owning an artificial tree. Imagine never having to shop, chop and pay for another natural tree again. The Glistening Pine's all-metal hinged branch construction simply unfolds out of storage. This model is pre-strung with a system lights, available in various options. The EZ Connect feature makes assembly a breeze by auto locking each tier securely into place. The tree needles are constructed out of non-allergenic and flame-retardant materials then painted multiple hues of green so no two are exactly alike. These details create the look of a natural tree and require less maintenance. Designed to last, this Glistening Pine tree is sure to provide more convenience and ease to your holiday season, year after year.

## LIGHTING OPTIONS FOR PRE-LIT MODELS

Eliminate the frustration of untangling your tree's string lights each year. We offer a variety of pre-lit models that includes a system of lights that are already prestrung, evenly distributed and bound to frame. Each option offers a variety of color, bulb types and displays for you to choose from.

### CLEAR SMART LIGHTING

Includes a system of classic clear bulbs that will remain lit even if one burns out. Each bulb projects a brighter light and further accentuates the tree as well as all ornaments placed around it

### CLEAR LED LIGHTING

Produces a clear timeless display and operate off low voltage power. The LED bulbs are long lasting so you won't have to worry about replacing them each year

### MULTI-COLOR LED LIGHTING

The multi-color LED lights offer the most variety on how your tree lights up. You have the option of choosing one color, multiple colors or the classic clear display to light up your tree

### ACCESSORIES INCLUDED WITH ALL MULTI-COLOR MODELS

All multi-color lit models include a wireless remote control and convenient foot remote connected to the power cord. Both allow you to control your tree's display by alternating colors and patterns at the touch of a button
