

# Frequently Asked Questions: Husky Stationary Air Compressor

Question	Answer
What is the correct power supply for my compressor to work properly?	<ul style="list-style-type: none"><li>□ This air compressor is powered by a precision built electric motor. It should be connected to a power supply that is 240 volts, 60 Hz, AC only (normal household current).</li></ul>
Do I need to register my compressor for warranty?	<ul style="list-style-type: none"><li>□ No. Since the compressor is a Home Depot exclusive product, you do not need to register for warranty. The proof of purchase (receipt) should be kept if you need to claim for warranty in the future.</li></ul>
How could I connect my compressor to the power supply?	<ul style="list-style-type: none"><li>□ There is no plug for this compressor. A certified electrician is required to wire the compressor with power supply. Instructions and safety information can be found in the Use and Care Manual that can be found online at <a href="http://www.homedepot.com">www.homedepot.com</a>. The detailed wiring diagram can also be found online at <a href="http://www.homedepot.com">www.homedepot.com</a> with model # C801H.</li></ul>
What type of oil does my compressor use?	<ul style="list-style-type: none"><li>□ Use 30W compressor oil or a heavy duty SAE 30W, non-detergent, SF grade or better oil. DO NOT use multi-weight automotive engine oils, they will reduce compressor life. Under extreme winter condition use SAE-10 weight oil.</li></ul>
How often should I change oil for my compressor?	<ul style="list-style-type: none"><li>□ The first oil change should be conducted after 40 hours of operation. After this, oil should be changed every 100 hours of operation.</li></ul>
Where can I find the replacement parts of my compressor?	<ul style="list-style-type: none"><li>□ You can find the replacement parts list online at <a href="http://www.homedepot.com">www.homedepot.com</a> with model # C801H. The model number can also be found on the data tag located on the tank or shroud of the unit.</li></ul>
