VEVOR Room Divider

Looking to create stylish and functional spaces? VEVOR's indoor privacy screen is for you! With various sizes and colors, it provides excellent quality and features waterproofing, sun shading, and sturdy construction to resist tipping. Takes up less than 1 m² when folded! Create the perfect space!

When not in use, our 4-panel room divider can be easily folded and stored, taking up less than 1m² of space.

Our room divider wall is designed with a snap connection method, making it easy for one person to install it with basic tools.

Whether in your living room, office or as a decorative element in your home, our room divider screen can be used to meet your needs.

Q: Is the fabric easy to wrinkle during transportation?

A: It is transported in a five-layer double corrugated box to prevent wrinkles. However, we still recommend using an iron to smooth out the fabric panel after you receive it to ensure it stays flat.

Q: Is this product easy to assemble?

A: The panels are connected with a snap-lock mechanism. And the product can be easily assembled by one person using tools and following the manual instructions.

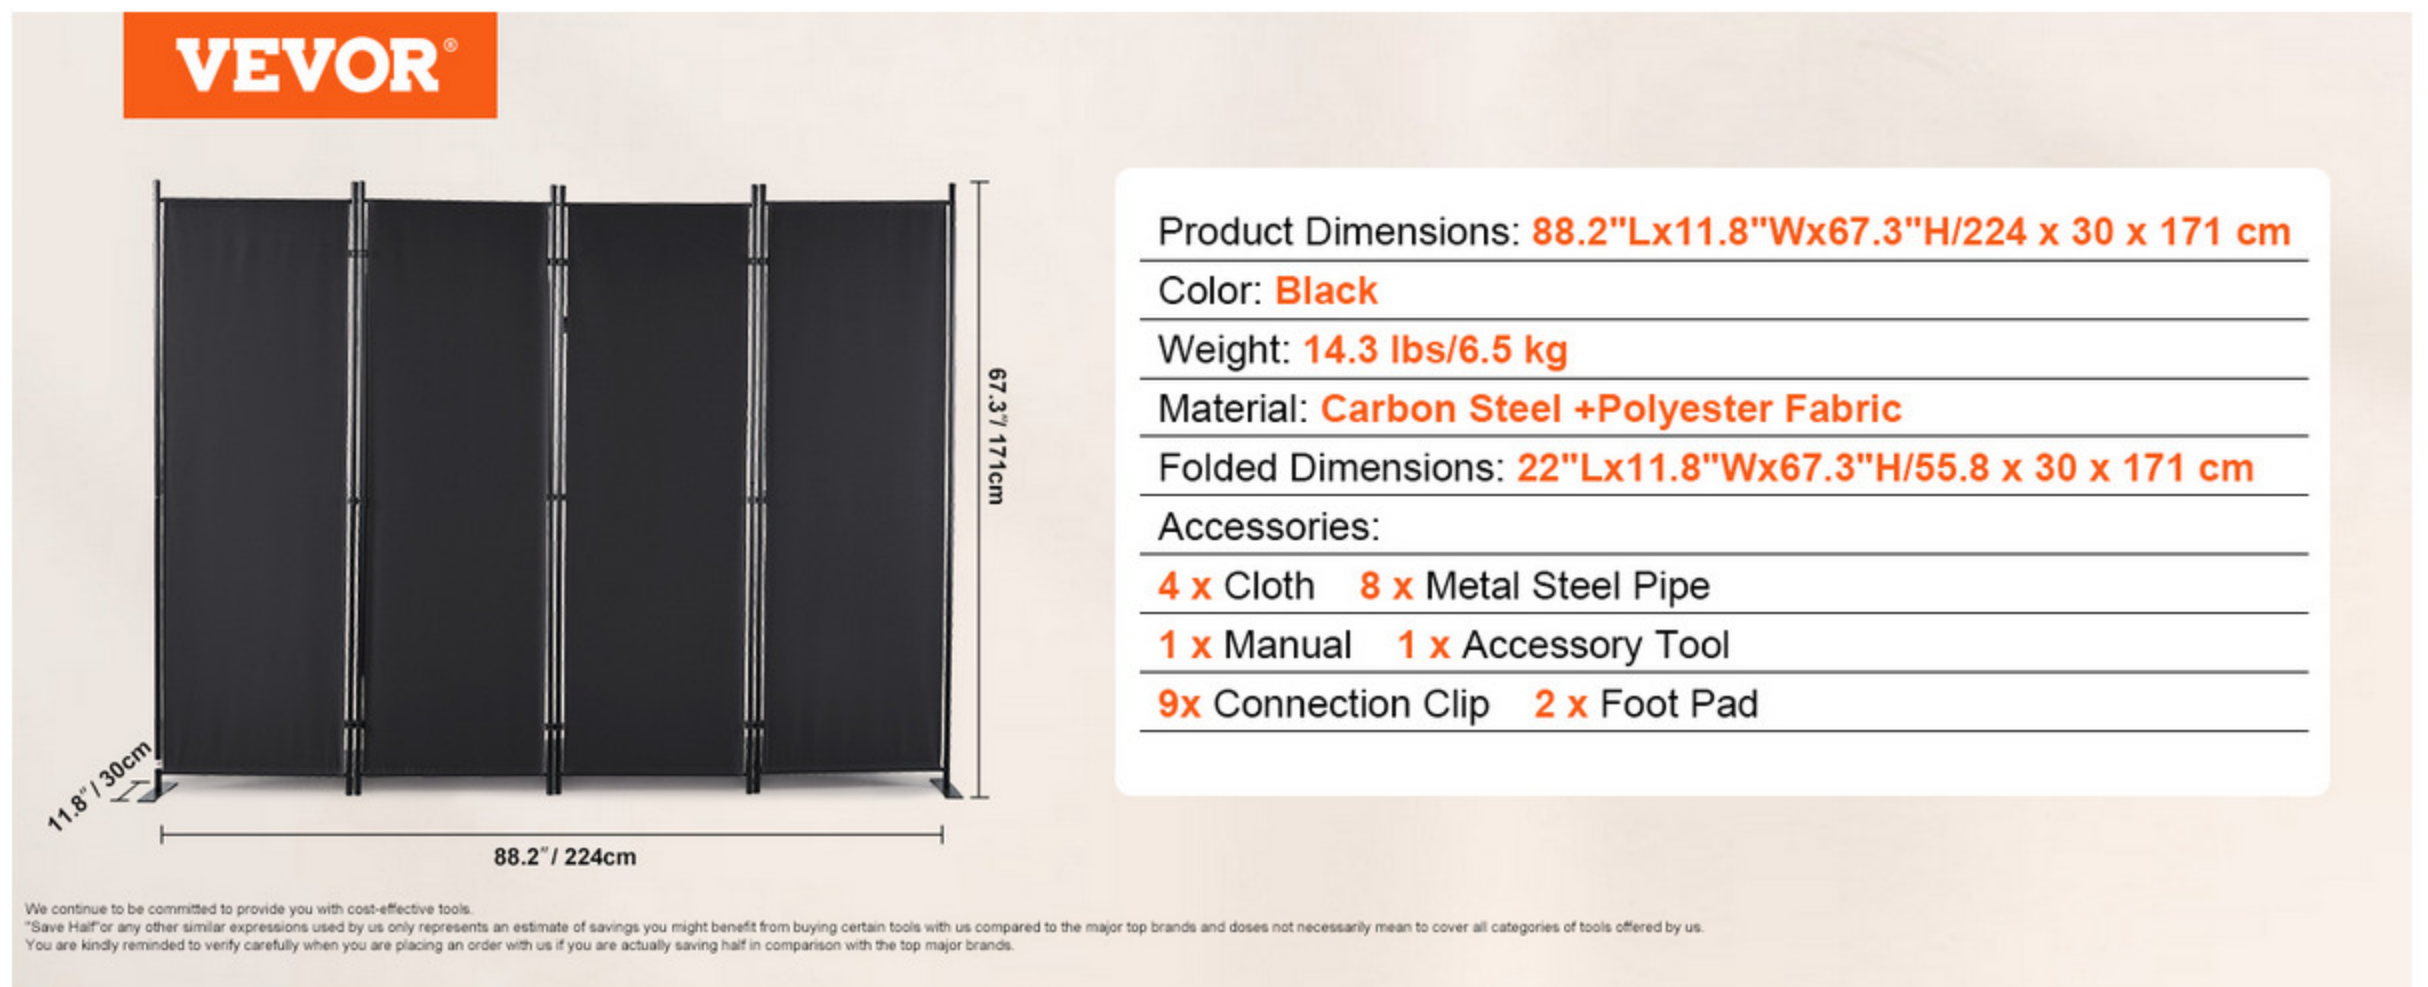

Q: Does the fabric provide good privacy and sun shading?

A: The fabric is coated with a PA layer, which provides excellent waterproofing and sun shading, and offers good privacy and coverage.

Q: What about the quality? Is it easy to tip over?

A: VEVOR room divider is made of thick fabric and supported by a carbon steel metal frame, ensuring a sturdy and stable structure. You can use it with confidence.

Our folding privacy screens are made from high-quality 180g polyester PA cloth. They not only provide you with a comfortable private space but also block out sunlight and water.
