IPX5

IPX5 Waterproof Body

PP-constructed power washer adapts to various working environments without worrying about any damage for years to come.

SMOOTH SPRAYING WITHOUT IMPURITIES

Reliable Water Inlet Filter

With the filter, our electric power washer efficiently purifies the water, maintaining a continuous and powerful spray.

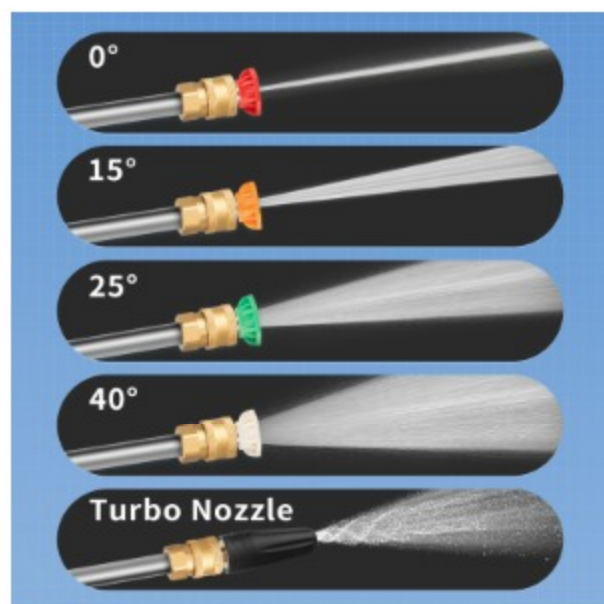

EXTRA LONG 35 FT

Power Cable
GFCI

GFCI Protection

An extended power cord allows more reach for large areas without walking. Meanwhile, the GFCI is against to electric shock.

5 Nozzles for Use

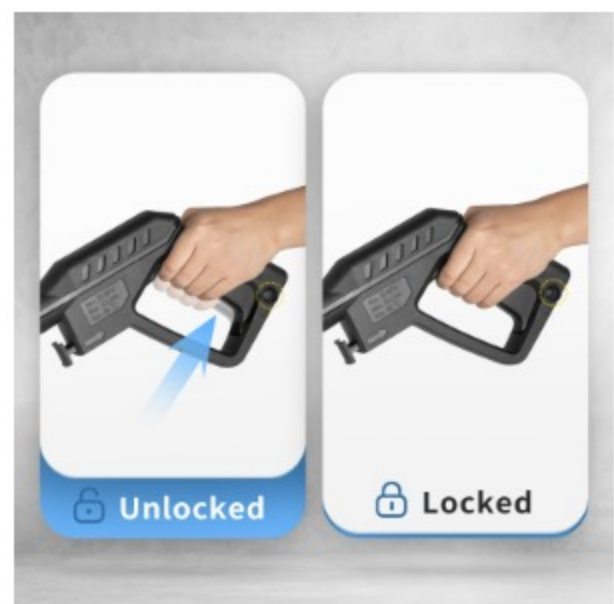

Multiple spraying nozzles are provided for you to finish different cleaning jobs around your house, saving your extra expenses.

Dense Foam

Convenient Foam Cannon

A 500ml detergent bottle is specially designed for self-spraying. With its help, you can get a deep clean for all surfaces.

Security Lock on Trigger

Just pressing the switch on the spray gun enables the gun to be safely locked, preventing any accidental and unintentional discharge of water.
