

Hori Knife User Manual

Welcome to use the Hori Knife, a versatile gardening tool suitable for various gardening tasks. Please read the following user manual carefully before use to ensure safe and effective use of your Hori Knife.

1. Handle Grip

Ensure a firm grip on the handle to prevent slipping or loss of control during use. It is recommended to use the correct grip method by gripping the handle with your hand and using finger support and control when necessary.

2. Blade Usage

The blade of the Hori Knife is very sharp, so please use it with caution to avoid accidental injury. Before using the blade, make sure it is in the locked position and the cutting edge is facing the direction you need to cut.

3. Soil Excavation

The Hori Knife is ideal for digging soil, such as removing weeds, planting, or soil mixing. Insert the blade into the soil, then apply pressure with the handle and gently push downward until the excavation is complete.

4. Plant Transplanting

When using the Hori Knife for plant transplantation, be careful not to damage the plant roots. Gently dig around the plant, then move the plant along with the soil to the new location.

5. Grass Cutting and Trimming

The sharp blade of the Hori Knife is also suitable for cutting grass and trimming plants. Handle with care to ensure you do not accidentally injure yourself or nearby plants.

6. Cleaning and Maintenance

After using the Hori Knife, please clean the blade and handle promptly to ensure they remain sharp and durable. Wipe the blade dry and apply a thin layer of rust-resistant oil to extend its service life.

7. Storage

When not in use, store the Hori Knife in a dry and ventilated place, away from children and pets, to avoid accidents.

8. Safety Warning

Do not use the Hori Knife for purposes other than gardening tasks to avoid accidents. When using the blade, handle with care to avoid injuring yourself or others.

Thank you for choosing the Hori Knife as your gardening tool. We wish you a pleasant and convenient gardening experience with it!
