VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

1100 LBS LIFTING CAPACITY

Bearing Force

The bearing force is up to 500 kg with the alloy steel hook, all-copper motor, and high-strength aluminum gearbox.

INSULATED HANDLE

Hand-held Design
Small & Portable
Convenient & Practical

Insulated Handle

Our handle is covered with insulated plastic for a comfortable and safe experience, making it easy to move from place to place.

LIMIT SWITCH

Limiting Stopper
Reaching the limit point, the motor automatically power off

Limit Switch

Equipped with a limit switch that decreases the swing and prohibits overload for safety, it ensures the operation stability.

SHACKLE HOOK

360 Degree
Rotating Hook

Shackle Hook

The premium 360° shackle hook and the high-quality safety latch make operation convenient and safe to prevent items from slipping.

DISTANT CONTROL

Wireless Remote Control

Manual Remote Control

Distant Control

The machine has a positive and negative start switch. We also offer you a wireless remote control, allowing you to control it within a safe distance.

WIDE APPLICATION

Versatile Uses

The electric winch applies to machinery, industry, agriculture, fisheries, auto repair, construction, etc. It is also suitable for home and industrial use.

7.9in / 20.1cm

Specifications
