Meet Nest Protect.

There's never been a smoke and CO alarm quite like this. Nest Protect looks for fast-burning fires, smoldering fires, and carbon monoxide. It also speaks up when there's a problem, can be hushed from your phone, and it will even message your phone in case you're not home.

How does it work?

- **Get alerts on your phone.** Nest Protect can send you a message when there's a problem or the batteries run low.
- **Tells you what and where.** Nest Protect speaks up if there's smoke or CO and tells you where it is, so you know what to do.
- **Sees the CO you can’t.** Carbon monoxide is an invisible, poisonous gas. Nest Protect tells you where it's hiding.
- **A light in the dark.** Usually Nest Protect has its light turned off, but when you walk underneath it, Pathlight can light your way.
- **Every second counts.** The Split-Spectrum Sensor looks for both fast and slow burning fires.
- **Hush from the Nest app.** Just burned the popcorn? App Silence lets you quiet the alarm from your phone.
- **10-year life span.** Nest Protect's long-lasting sensors help keep you safe and sound for up to a decade.
- **Sleep safe and sound.** Nightly Promise is a quick green glow when you turn out the lights that says everything’s working well.
FEATURES

- Low-battery
- Split-Spectrum Sensor
- Voice alarms with custom location
- Nest app
- Phone alerts include:
  - Smoke & Carbon monoxide
  - Sensor failure
- Split-Spectrum Sensor
- 10-year product lifetime
- Safety Checkup
- Heads-Up alerts
- Sound Check
- Self Test
- Nightly Promise
- Pathlight
- Steam Check
- Wireless Interconnect
- Safety History
- What To Do
- Home Report
- Emergency clip record with Nest Cam

SPECS

Sensors
- Split-Spectrum Sensor
- 10-year electrochemical carbon monoxide sensor
- Heat sensor, ± 1.8ºF (± 1ºC)
- Humidity sensor, ± 3%RH
- Occupancy sensor, 120º field of view to 20 feet
- Ambient light sensor
- Omnidirectional microphone, 70dBA SNR

Languages
- Out of the box
  - US: English, Spanish
  - Canada: English, French
- Downloadable
  - English, French, Spanish, Dutch

Wireless
- Working Wi-Fi connection: 802.11b/g/n @ 2.4GHz
- Wireless Interconnect: 802.15.4 @ 2.4GHz
- Bluetooth Low Energy (BLE)

Batteries
- Nest Protect Battery
  - Six long-life batteries (Energizer® Ultimate Lithium “L91” AA)
- Nest Protect Wired
  - Three long-life backup batteries (Energizer® Ultimate Lithium “L91” AA)

Connectivity requirements
- Wi-Fi connection
- Phone or tablet with iOS 8 or later, or Android 4 or later
- Free Nest account
- Nest app
- App Silence
- Detects carbon monoxide
- Heads-Up alerts
- Sound Check
- Self Test
- Nightly Promise

Operating
- The alarm should not be installed in locations where the normal ambient temperature is below 40ºF (4ºC) or exceeds 100ºF (38ºC).
- Humidity range: 20%RH to 80%RH (non-condensing).

Warranty
- 5-year limited warranty. For help, visit nest.com/support.
  - Our support team is also available by phone 24/7.

Certification
- Nest Protect has been tested to comply with safety standards UL 2034, UL 217 and NFPA-72 set out by UL and California State Fire Marshal.

IN THE BOX

- Nest Protect
- Batteries
- Backplate
- Four screws
- User’s Guide
- Welcome Guide

Nest Protect Wired also includes:
- 120V AC connector
- Three wire nuts
