

Register Sizing Guide

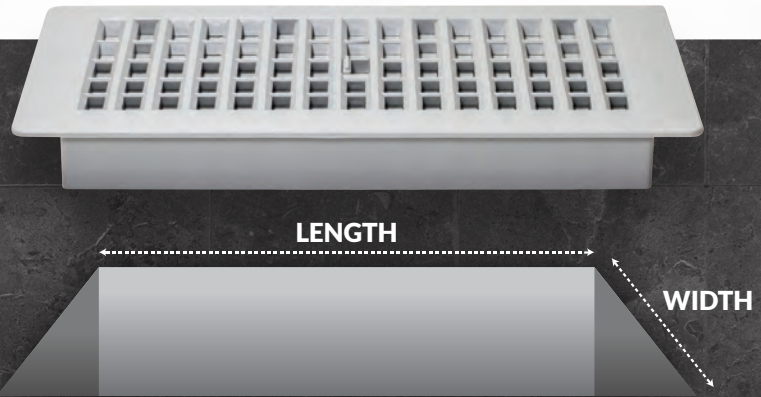

Remove old register and measure the length and width of your vent before buying. Vent sizing may be inconsistent, so ensure you are receiving the right size using our Online measuring quiz or the sizing chart below.

EXAMPLE: If your vent length is 9.85" and the width is 4.10" then you would choose the 4" x 10" register.

11" Printable Ruler

STEP 1: PRINTING INSTRUCTIONS

Print on letter sized paper (8.5"W x 11"H) at actual size (100%) with portrait mode selected. Please DO NOT print with the fit to page setting on or ruler sizing will not be accurate.

Need a larger ruler? You can print out two copies of this page and tape them together!

STEP 2: CONFIRM PRINT SIZE

To ensure the rulers' sizing is accurate please verify that the page printed correctly by placing an ID card or a Bank card into the area below. If the card fits you can start measuring. If not, please reprint this page using the correct settings listed in step 1.
