Autumn Fire[™] is Here!

From Buddy Lee, inventor of the best-selling reblooming Encore[®] Azalea, comes the newest addition to this superior collection of high-performing shrubs — Autumn Fire[™] (Rhododendron 'Roblez' PPAF).

The truest red reblooming azalea on the market, this dwarf azalea packs a powerful punch. Velvety semi-double blooms wow in spring, summer, and fall; then, Fire's glossy, dark green foliage deepens to a saturated purple bronze in winter. Compact growth means little pruning is required to maintain this easy care beauty.

Now, you can enjoy 30 varieties of Encore[®] Azaleas that boast profuse, repeat blooms, bold color and year round interest.
