

RELIANCE **CONTROLS** **Plug-In Power-OUT™**

POWER FAILURE ALARM with 6-Hour 3-LED Flashlight **THP207**

What is the Power-OUT™?

1. An audible and visual alarm to indicate that a power outage has occurred.
2. An automatic safety light for hallways, rooms, or other spaces during a power outage.
3. A convenient, always-charged flashlight.

What the Power-OUT™ Does

The Power-OUT™ plugs into any standard 15 Amp 120 Volt AC electrical outlet in order to monitor your power supply and indicate when the power fails. A three-position selector switch determines how the Power-OUT™ will function:

1. In the "Armed" position, a power outage will be indicated by both an 86db alarm and the illumination of three super-bright white LED's.
2. In the "Light" position, a power outage will be indicated by illumination of the three LED's only. In this position, the Power-OUT™ may also be used as a flashlight at any time simply by removing it from the electrical outlet. In its fully charged state, the LED's can remain lit for about six hours.
3. In the "Off" position, all features are disabled.

The green LED indicates the presence of 120 Volt power, and can also function as a night light.

The internal NiMH rechargeable battery accumulates a full charge in about eight hours. It is recommended that it be fully charged in order to function optimally.

The Power-OUT™ will function properly plugged in with the LEDs facing up, down or sideways.

You Need to Know

The Power-OUT™ is a warning device only and cannot prevent damage or other inconveniences resulting from power outages.

One Year Limited Warranty

Reliance Controls Corporation ("Reliance") warrants this product to be free from defects in materials and workmanship under normal use for a period of one year from date of purchase, provided the product has been installed and used in accordance with Reliance's instructions and has not been subjected to misuse, alteration, modification, accident, or repair not performed by Reliance. Reliance's obligation under this warranty is strictly limited to repair or replacement of the product only. The cost of labor to remove the product or install a replacement is not included in this warranty. Reliance shall not be liable for any incidental, special, or consequential damages whatsoever, including damage to person or property resulting from the product's failure to operate in the manner in which it was designed. Use of this product is at the risk of the owner. In the event that this product does not conform to this warranty within the warranty period, the product may be returned with dated proof of purchase to Reliance, at the address below, freight prepaid. Upon verification of defect Reliance shall at its sole discretion either repair or replace the defective product. The forgoing warranty is exclusive and in lieu of all other expressed or implied warranties if any, including but not limited to implied warranties of merchantability and fitness for a particular purpose. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.
