## EASY INSTALLATION

This easy to install, durable vacuum is wall-mounted so it is up and out of your way.

## SIMPLE MAINTENANCE

Easy to change 7 gallon HEPA bag.

## GARAGE VAC PRO BY VACUMAID®

This wall-mounted vacuum cleaner is extremely powerful and has a variety of cleaning applications, both residential & commercial:

- Garages
- Workshops
- Vehicles
- Utility rooms
- Auto Detail Shop
- Basements
- Showrooms

It mounts quickly and easily to the wall with no plumbing necessary. Performs like a commercial vacuum and gives you professional results every time.

## EXTREME REACH

Comes with 30 ft or 50 ft hose & cleaning tools for use inside the garage or out into the driveway.
